CITY AND VICINITY

Snow. - Oh, the long dull, dreary winter; light snow flakes fell last night, and this afternoon one of the old fashioned

CABBAGE. - Cabbages are in excessive supply; a great many are being shipped Kingston and other places along the St. Lawrence; the steamer Alexandra had over 5,000 head of cabbage on board on her last trip to Kingston.

PERJURY, - Alexander Robertson until recently a merchant in Belleville, is being prosecuted in Montreal for perjury, being accused of making misstatements to his creditors in reference to the disposal of his stock. At present it is doubtful how the case may terminate.

THE CANADIAN ILLUSTRATED NEWS this week has a fine portrait of Hon. Winifred Laurier, the new Minister of lon and Ross; and a number of other at-

SUDDEN DEATH. -The Newburg Reporter reports the sudden death of Mr. surplus, a case of which occurred on Violet. He was apparently well in the ham, consigned from Chicago to Messrs. dead about twelve o'clock.

THE CHALLENGE, - We misled our readers last evening, but unintentionally so. We said that the latter club (referring to the Earls) objected to play any more this season. The Captain of the Club assures us that it is the reverse, and such was the meaning we had in view in referring to the base ball matches in our last issue.

Nor TRUE. - The statement telegraphed to the daily press, extensively copied by newspapers, and made use of by E. King Dodds at Guelph, that an active an porter of the Dunkin Bill in Napanee been fined for selling liquor, is pronounced by the Standard to be untrue.

hand in preparing themselves for the Teachers' Examination, by procuring and studying copies of the papers smuggled from the printing house of Messrs. Hunter, Rose & Co.

A Spicy TRIP .- "Nemo" writes an interesting letter to the Watertown Despatch, giving an account of a recent visit writing. NEW STORE, PRINCESS ST., patch, giving an account of a tooline of the K. & P. RR. Sharbot Lake comes in for a very favorable notice, and Mr. Sharbot seems to have engrossed a large part of the correspondent's time when he made his visit to that beautiful and picturesque

METROROLOGICAL REPORT. - The weather has been cloudy to fair in the western portion of Ontario, and cloudy to rainy in the eastern. Snow has been reported from stations on the upper St. Lawrence. The temperature fell below freezing point during the night at nearly all our Canadian stations east of Kingston. Probabilities for the lower lake region : Moderate to fresh winds, cloudy to rainy weather.

THE SHAD .- Supporting what was said a few days ago of the growth of shad in the lake, an exchange reports that where me a call and examine Stoves before you buy shad fry was deposited in 1872, they are now catching splendid shad of five pounds and upwards, of as fine flavor as those caught in the large rivers. It was feared they could not be grown unless they had access to salt water. The country owes ! much to Mr. Green's efforts in fish cul-HORSEY'S HARDWARE HOUSE ture in supplying the country with an abundance of the fish edible.

Watertown Times man who tells the atory, but we feel a delicacy in enquiring That should settle the grumbling of a few how he came to know it, or if he was one people who seem an ous for any excuse of the parties to the experiment: "A -even objecting to a name-to keep is somewhat distinct as to the identifikiss by telephone may very properly be aloof from the inevement. called 'lengthened sweetness well drawn out.' That is what a young men in Watertown thought when the young lady at the other end of the line said it was good, yesterday apprised it of the death, at but it didn't half go round."

always smoked more or less, occasioned by the fines not being carried up far enough. This deficiency is now being tirement, upwards of thirty years ago, he made good . When changes are being made in nearly every department, it is somewhat a pity that an improvement should be made in the heating apparatus. s. res are as reliable as anything but they are not the cheapest by any means.

ARRESTING A Cow. - The people of upon the police officer who lives amongst and several daughters serviving him. them. They declare that he made an attempt to arrest a cow the other day and didn't succeed, but the P.C. alleges that which have had the management of the the expenditure of the money in the ereche charged the cow with carrying an recent Rine Concerts in hand, decided to tion of it was wise, and would carry its and he determined to arrest either her or | Chamber, next week, at which a state- discharge of their duty, making no doubt the ringing of the bell. FALL ASSIZES. Judge's Address to the Grand Jury. After the Grand Jory had been aworn in yesterday Mr. Justice Moss addressed them in these terms. He said that from the calendar placed in his hands he apprehended the duties devolving upon them would not be exceedingly onerous. He also apprehended that the general character of their duties called for few observations on his part. It was more than probable that some of them had been called upon heretofore to serve their country in this capacity; and it was gratifying that there were men with a knowledge of duties which they may be called upon from time to time to perform. As he had occasion to say more than once to Grand Juries, the best summary of their duty was contained in the oath which they had severally a very valuable cow a few nights ago. taken. They were to take cognizance of was the property of Mr. Thus. Gillespie, every thing laid before them by the and was in some way cut completely open the Grand Jury at the Wellington As- Orown officer, especially of criminal busi- in the back It was a peculiarity of their system that no man should be placed on horse by drowning on Sunday.
