Amusing Incident at an Opera-

A little incident occurred at Baldwin's Theatre, that was not down on the bills It seems that the brace of intelligent supes sho personate the devils in the last act of "Don Giovanni," at four bits a night, had been rehearsed in their seeme by Carl Forms instead of the tenor who personated the Don. The former appeared as Leporello, and when the proper moment arrived the demona promptly fell upon him and endeavored to drag him off to the infernal regions with the greatest vigor. In vain the exasperated basso struggled and strove to wrong man. The supes were used to vigat on. realistic acting and fired the enraged artist down into the bowels of the earth with masterly precision. While the disgusted Leporello was kicking his assailants around through Hades and swearing like a savings bank depositor, Giovanni himself stood thunderstruck and too bewildered to move. He was finally ignominously led off by the prompter in his shirt sleeves, and up to 1 P.M. to-day had made four several attempts to commit suicide. The demons are now hiding in the foot-bils under assumed names .-San Francisco News Letter.

----Billings's Philosophy.

I never had a man cum te me for advice, but before he got thru he had more advice to offer than to ask for. To avoid all trouble ov law suits from heirs and others, I have konkluded to administer upon mi own estate by spending it as i go along.

A hornet is not so innosent az a katterpillar, but i venerate them more. There is one end ov them that no man kan with impunity phool with. When an ole man marrys a young

wife, the low in the transackshun is alwas on the one side, but the folly is equally divided.

The Machine was Worn Out.

Whyl Not because it was not wel built, but it was wrongly run. Thousands of men who have run down long before their threescore and ten years are accomplished, might have been renewed into sprightliness and vim if they had tried the well known PERUVIAN SYRUP, which contains among its compounds the Protoxide of Iron, so combined that it assimilates with the blood and invigorates the whole system. This syrup has proved efficacions in thousands of cases, and will do everybody good who uses it. All druggists keep it.
