SANFORD'S RADICAL CURE.

Messrs. Weeks & Potter: Gentlemen — I feel compelled to acknowledge to you the great benefit hanford's Radioal Cuff has been to me. For ten years I have been afflicted with this loathsome disease, and especially in the winter time has it been most severe. The discharge has been thick and bloody, emitting a foul odor so bad that my presence in a room with others was very offensive to them. One week after commencing the use of sanyond's Radioal Cuff I was not frombled with it at all. Mystheses of taste and smell, which were scholly gone, have now fully returned, and my general health is much improved. Yours.

Gentlemen: The package of SAND an's Craz arrived here to night arright. I don't know what I should have done if it and not been for the remeily. I have tried Nasal Douches and everything else, and although I have been able to stop the offensive discharge, I have not been able to stop the onensive dis-charge, I have not been able to recover avacases of taste and smell matil I tried San road acture. You can refer any one you choose to me, and I will sheerfully inform them in detail as to the benefit the remedy has been to me.
