FIRE DEPARTMENT. The Company commenced business in October, 1861, as a Fire Office, and was called t to existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's open tions has been such as fully to realize the most sanguine expectations of the Directors, and 1y4 has induced them to extend their operations to Canada, where the General Agents are pre-

#### pared to take proposals for Insurance against Loss by Fire of Property of every descrip LIFE DEPARTMENT.

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intennot to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fire Branch, shall guide them in the management of the Life Department, they extend to the As-

sured every benefit which science warrants or experience suggests. Among the benefits of this Company may be enumerated --- Moderate Rates o - Premium Eighty per cent of the Profits divided among the Assured-Very liberal surrender value given after three years-Thirty days allowed for payment of Premiums, and further extensiof time on easy terms -- Unchallengeable Policies-- Credit System-Service permitted in ' unteer Corps-Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium Further and fuller information may be obtained by calling at the Office, Nos. 221 and
