> THE BRITISH WHIG. LETTER NO. XI.

Quebec, Feb. 24th. DEAR WHIG,-

That Ministers will carry Confederatio with a strong hand and a stronger majority | Our Young Folks for March. Ticknot is apparent from the side vote of yesterday. The game of the Opposition is evidently delay, and it is just strong enough to be j troublesome in that way. Ministers can not, after their many professions, object to the utmost latitude in the way of debate; and therefore, much as they may be annoyed, they can only grin and bear it. Holton a bit of their mind, when that gen- | sarily a long one. taking the Vote on the Measure, and there" | 'Auld Knickerbocker,' or rather the new

elements of strife and disunion, instead of the elements of union and strengthelements of ruin rather than of prosperity-elements of disunion from the mother country to drift into the vortex of leaves still uncut. If we have no time t the American Union-the greatest mis- look over the pleasant pages of the 'Westfortune that could happen to the country. minster, or 'Harper's,' how is it possible And he said much more in the same strain. that the drier matter of law and politics can It was quite evident to all who heard him, tempt us to neglect more important duties. that he spoke from some disappointed feel- We observe two things however :- that Mr. ing, which some think may be traced to the | Mowat, an able Chancery lawyer, seeks a | treatment he got at Toronto in the matter remedy for a great evil; and that Mr. Sarnia. of Burley, for whom he was Counsel, and Cauchon, the best French Jurist we have, whom he thinks was illegally and improperly | has devoted his talents to the attentive congiven up to the Yankees. At least, he was sideration of the great measure of the day never known to express any strong opinion | The translation is in good English, a fact against the scheme until lately. In his we have discovered without cutting address to the Electors of South Ontario he expressed himself favorable to it.

Some anxiety is evinced, as to what Ministers will do when Confederation is carried. Will they bring down their measures for the government of the to-be-Provinces of Upper and Lower Canada, or will they let that alone until after it is known whether Confederation is taken up by the Lower Provinces. I think, but Cannot be positive, that nothing in the matter will be Ministers will now bring forward the Budget and hurry the business of the Session to
