FIRE DEPARTMENT. The Company commenced business in October, 1861, as a Fire Office, and was called to to existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's operations has been such as fully to realize the most sanguine expectations of the Directors, ar 1v4 has induced them to extend their operations to Canada, where the General Agents are pr pared to take proposals for Insurance against Loss by Fire of Property of every descript

LIFE DEPARTMENT.

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intentinot to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fi tranch, shall guide them in the management of the Life Department, they extend to the As

sured every benefit which science warrants or experience suggests. Among the benefits of this Company may be enumerated -- Moderate Rates o Premium-Righty per cent of the Profits divided among the Assured-Very liberal surrender value given after three years-Thirty days allowed for payment of Premiums, and further extension of time on easy terms -- Unchallengeable Policies-Credit System-Service permitted in V unteer Corps.-Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium.
