TUESDAY MORNING, MARCH 21, 1865.

New York, March 20, 1865.

The price of guld to-day was 1641.

AMERICAN INVOICES.—The Official Gazette of Saturday last announces that the authorized discount on American invoices is declared to be 37 per cent, which percentage of deduction is to be continued until next weekly notice, and applies to all purchases made in the United States during this week.

FAIR AT FRANKFORD.—The Spring Fair of the village of Frankford, will be held on Tuesday, the 4th of April. Butchers and others will find it to their advantage to attend.

FLOUR.—The Ottawa Union says that flour has been a scarce article for the past few days in Ottawa. It appears that the supply by railway, whether of wheat or flour, has fallen off lately to such an extent as to corner the city bakers considerably. The local mills cannot procure wheat in any quantity, and some of them are idle.

GREAT FLOOD IN PORT STANLEY.—Owing to the sudden thaw, a tremendous flood set in at the Port on Thursday, which gradually increased during the night. The Port Stanley station was flooded, and the train yesterday morning could only reach one end of the platform. At St Thomas too, the flood was great, and Messrs. Perine and Young's flax mill was for some time in great danger. The water was rushing three feet over the water wheel.

THE EXPORTS OF PETROLEUM.—During the year 1864 the total exports of petroleum from the United States were 31,643,196 gallons. More than two-thirds of this amount was shipped from New York. Philadelphia sent off 7,616,972 gallons, and Boston 1,736,733. In 1863 the exports amounted to 28,162,191 gallons; in 1862, to 19,887,701; and in 1861 to only 1,194,682. Of the 31,643,196 gallons exported last year, 8,676,000 went to Great Britain; to Antwerp, 5,588,765 gallons were shipped; Marseilles received 3,30 ,00 gallons; Havre about the same quantity; Bremen a little over 1,20 ,00 gallons; Hamburg, 1,260,710; Rotterdam, 852,212; South America, 915,540; Spain, 332,331; Cuba, 543,516; Italy, 9 3,917; Cronstadt, 678,197; Mexico, 112,986; Portugal, 184,689; Trieste, 162,176; Australia, 772,862; British Provinces, 249,600; British West Indies, 166,000.

These are our largest customers, but Africa, Hayti, the Canary Islands, Egypt, Mauritius, Sicily, the Sandwich Islands, Zanzibar and New Zealand take no inconsiderable quantities in the course of the year, and the oil is constantly finding its way to new places.

NEW YORK MARKETS, March 20.—Flour receipts are 6,168 bbls market quiet and prices are without decided change; sales 4,600 bbls at 9,8 @ 9,9 for superfine state; 10 00 @ 10 25 for extra state; 10 25 @ 10 30 for choice do; 9 75 @ 10, 00 for superfine western; 10 15 @ 10 35 for common to medium extra western; 11 40 @ 10 75 for common to good shipping brands extra round hoop Ohio. Canadian flour quiet and unchanged, sales 3 0 bbls; at 10 15 @ 10 50 for common, and 10 50 @ 11 45 for good to choice extra. Money on call at 6 @ 7 per cent. Sterling Exchange firmer and active at 109¼ @ 109¾. Gold opened at 167 and closed at 164¼.

Speculation in gold is comparatively quiet and altogether on the bear side. There were rumors of the evacuation of Mobile, and the resignation of General Lee, under which gold fell from 167¾ to 164¼.

POLICE COURT.

Monday, March 20th.

Before Dr. Robison.

DRUNK AND VAGRANT.

Samuel Gillew and John Linter, charged with drunkenness, were fined $1 each.

Clara Williams, charged with vagrancy, was sent to gaol for sixty days.

Mary Delaney, charged with drunkenness and vagrancy, was discharged.

LARCENY.

The three boys, Lennox, Maxwell, and Bates, charged with larceny, were discharged. Instructions were given to the Police to arrest them as vagrants when found on the streets. Richard Seaton, another boy engaged in helping the boys to evade arrest, was discharged.

The case of Robert Joice, charged with selling liquor without license, was further adjourned.

A SHOOTING AFFRAY.—Mr. John C. Fox, was arrested on Saturday night on a charge of shooting with intent. It appears that about half-past nine o'clock, he was proceeding in a buggy up Princess street, where his horse drove on the board-walk and nearly on a man named Carstier.—Carstier took the horse by the head to lead him off, when Mr. Fox not knowing what he was doing, fired at him with a revolver, some say once, and others three times.—Several persons who were near by, rushed on Mr. Fox and conveyed him to the Police Station, where he was taken in charge of by the Police. Yesterday morning Carstier failed to appear, but sent a letter to the High Bailiff, to say that it was all a mistake and that he had no charge to make.—Mr. Fox was bailed to appear to answer the charge when called upon.

DISCHARGED.—John Parsons, arrested on Thursday, for a breach of the Foreign Enlistment Act, was discharged on Saturday, the evidence being insufficient to send him for trial.

ADJOURNED INQUEST.—The adjourned Inquest on the body of the child found on Saturday morning near the depot, opened yesterday afternoon in the Council Chamber before Coroner Shaw. A girl named Lambert deposed that she saw an elderly woman coming from where the child lay, with an empty basket and a towel, and on proceeding but a few paces saw the body. She did not see the woman leave the child, but supposed that she did so. Several witnesses were called, who testified to having seen the child shortly after the time the girl Lambert spoke of. A Miss McGarvey and a Miss Root deposed to seeing the body on Friday afternoon, and to showing it to others. Sergeant Major Franks deposed that he was of opinion that the child had not been long exposed. The Jury returned a verdict of 'found dead, but by whose hands the child met its death is to them unknown.'

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. I. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles; price 50c. 13

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things

C. C. MOORE,

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine

Sold by all Medicine Dealers.

Through a trial of many years, and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford great relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers, who were deemed beyond the reach of human aid, have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, Consumption. He tries everything; but the disease is kneaving at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now; it has stopped his cough and made his breathing easy; his sleep is sound at night; his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them; and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

ST. LAWRENCE
ICE HOUSES.

HAVING decided upon connecting the Ice Trade with my present business, I have fitted up suitable houses for the purpose on the premises known as Garratt's Buildings, King Street, which are at present being filled from the River, opposite Murney Point.

Not in the Vicinity of the Marsh, near Bell's Island.

I am therefore now in a position to contract for the supply of any quantity (at a moderate price) during the coming season. From the size and convenient situation of my ice houses I can guarantee to my customers a

Liberal, Early and Regular Supply Every Morning.

I would also inform those parties who have already favored me with their patronage, and those who may yet do so, that I have engaged an EXPERIENCED MAN, and that the same CIVILITY which all have heretofore received in my Shop, will be extended to this new branch of my business.

☞ Sunday's supply delivered on Saturday evening.
