TUESDAY MORNING, APRIL 4, 1865.

FIRST VESSELS FOR THE WEST.—The Bark Sarah Ann Marsh and Brig New York have been ready since Friday to leave for the upper part of the Lake. The former was the first to leave last year on the opening of navigation. She hails now for Hamilton for a cargo of timber for Portsmouth.

LAUNCH AT PORTSMOUTH.—One of Mr. Berry's large ships will be launched this afternoon at half-past three o'clock, at the ship-yard, Portsmouth.

CARRIED AWAY.—The schooner B. F. Davy, anchored opposite Bath, was carried away with a large field of ice, 300 yards square, on Sunday, losing her anchors and forty fathoms of chain. The wind carried her towards Kingston, and she would have reached it in safety had not the steamer Pierrepont gone from Kingston to her assistance. After smashing the ice from around her, the Pierrepont towed her back to Bath.

☞ The steamer Watertown makes two trips daily to Cape Vincent, via the Wolfe Island Canal.

NAVIGATION AT TORONTO.—Toronto is far ahead of us in the point of a vigorous pushing of shipping interests. Saturday's Globe says:—Matters in our port are gradually becoming more active and promising. There have been six arrivals and nearly as many departures of vessels from here within the last 24 hours, all laden with grain and other articles of produce for the various American and Canadian ports.—Next week steamboat navigation begins. Captain Milloy's new steamer, the "City of Toronto," will resume her trips between here and Lewiston, and others will shortly follow her example.

AMERICAN INVOICES.—The Official Gazette of Saturday last announces that the authorized discount on American Invoices is declared to be 33 per cent, which percentage of deduction is to be continued until next weekly notice, and applies to all purchases made in the United States during this week.

POLICE COURT.

Monday, April 3rd.

Before Dr. Robison.

DRUNK AND VAGRANT.

James Drumnugh, charged with drunkenness, and Josephine Brown, charged with vagrancy, were committed to gaol.

ABUSIVE LANGUAGE.

Mrs. Shannon charged Daniel Donovan, a huckster, with using abusive language towards her in the Market Square on Saturday morning. Donovan was fined $1 and costs. Dr. Robison warned the Hucksters against conducting themselves as they have done lately, as it might result in their being turned off the stand.

ASSAULTS.

James McGurk, charged with entering the house of a man living under Dunn's Hotel, and assaulting him and his wife, was fined $5 or 30 days in gaol.

Several assault cases were reported to the Police, and warrants issued for the offenders.

BREACH OF THE F. E. ACT.

John Swartz was charged with a breach of the Foreign Enlistment Act. A Mrs Lipe deposed that fier husband had been enticed to the States by Swartz, and sold by him as a substitute for the United States Army. On Thursday last, Swartz took him over to Watertown, and on Friday came home and told the witness that her husband had enlisted and had got $1,200. The witness heard Swartz say to her husband that both would go over, and that witness' husband would enlist and Swartz would run away with the $600, and Lipe need not enlist unless he liked, and also that he would pay a debt of $75 by selling Lipe. Swartz was committed to the Assizes for trial. Why was not the prisoner tried by the Police Magistrate under the recent Act, instead of being sent fo six months to he Assizes?

COUNTERFEIT COIN.

James Ellerbeck was charged by Phillips the match maker, with passing a counterfeit half dollar on an old man who was selling matches for him. Phillips stated that Ellerbeck had asked him to silver some half dollars, which Ellerbeck had remarked "were good bogus coin after night." The examination was adjourned until this morning.

THE SPECIAL POLICE.—At a meeting of the Police Commissioners it was determined that the Special Police added to the Force at the time of the Raid excitement, should be dismissed on the first of May, as their services were no longer required. The necessary notice has been given.

LADIES!! LADIES!! LADIES!!!

Don't fail to read the advertisement in this paper, headed

IMPORTANT TO FEMALES.

DR. CHEESEMAN, of New York, has devoted the last thirty years of his practice to Female Complaints. His Pills act like a Charm. They are reliable and safe.

HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are composed are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with the disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine will not help them; let not even these despair; incredulity and skepticism is overthrown by a host of testimony which is truly irresistable. At first the virtues ascribed to the Mountain Pills were deemed fabulous. The public had been so often deceived that they could not believe the simple truths put forward by their discovery. Yet facts undeniable, attested by witnesses of the highest character and respectability have proved, and are proving each day, the virtues of this mighty healer. They mark, by their miraculous efficacy and power a new era in medicine —Sold by all Medicine Dealers.

Editor of British Whig.

Dear Sir:—With your permission I wish to say to the readers of your paper that I will send by return mail to all who wish it (free) a Recipe, with full directions for making and using a simple Vegetable Balm that will effectually remove, in ten days, Pimples, Blotches, Tan, Freckles, and all impurities of the skin, leaving the same soft, clear, smooth and beautiful.

I will also mail free to those having Bald Heads or Bare Faces, simple directions and information that will enable them to start a full growth of Luxuriant Hair, Whiskers, or a Moustache in less than thirty days.

All applications answered by return mail without charge.

Respectfully yours,

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. I. MATHEWS,

General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

C. C. MOORE,
254 Broadway."

New Bedford, Mass., Nov. 24, 1863.

Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs; cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers,' &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

"WIDELY KNOWN."—It is generally supposed that the Websters, Palmerstons, Gortschoffs, Metternichs, and Garibaldis of politics are the men of world-wide renown, and so they are where newspapers circulate, but not much beyond. One of our friends lately returned from China, amuses us with the recital of his journey inland for some distance, where the enquiry oftenest made when he became known as an American, was whether he knew or had ever seen the great chemist of his country, Dr. Ayer, that made the medicines. They use his remedies—many of them have been cured by them—and they speak of him, as if he occupied the whole of America or were at least the great feature of it. A mandarin who had been cured of a malignant ulcer on the hip by his Sarsaparilla, seemed to consider it our principal article of export, and its inventor one of the few men this continent had ever produced worthy the attention of Chinamen.—[N. Y. News.

Through a trial of many years and through every nation of civilised men, AYER'S CHERRY PECTORAL has been found to afford great relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled Consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy, and the pale, thin features of him who was lately lusty and strong whispers to all but him, CONSUMPTION. He tries everything; but the disease is knawing at his vitals, and shows its fatal symptoms more and more all over his frame. He is taking the CHERRY PECTORAL now: it has stopped his cough and made his breathing easy: his sleep is sound at night: his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it causes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easy cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

DRESS. DRESS.

S. CARSLEY

HAS JUST RECEIVED HIS FIRST ASSORTMENT OF

SPRING GOODS FOR 1865!

THREE CASES NEW DRESS GOODS,
ONE CASE STRAW HATS,
ONE CASE FANCY BUTTONS AND TRIMMINGS

SPECIAL.

S. Carsley begs to state that the Dress Department will receive his special attention during the coming Spring and Summer trade. The error that most of the stores make of filling their shops full of common stuff, from 7½d to 1s per yard, will be avoided.—Neither will the plan of some leading stores in this and other cities be adopted, of buying a scanty assortment of first-class goods, and making them at unreasonably high prices.

THE AIM WILL BE

To show a large assortment of First-Class Goods, at from 3 dollars to 5 dollars per dress, or from 1s. 3d. to 2s. 3d per yard.

☞ CALL AND SEE THEM.
