## THE AMERICAN WATCH Co.

IF you want the best and cheapest Having recently increased their facilities bacco's, and as cheap by the pound as any for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desious of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large demand for their Watches in the United States.

The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 150,000 Watches of their manufacture have passed into use among the people, and have given, with TAT HEREAS, the 24th day of May, in- rare exceptions, the utmost satisfaction to VV stant, being the Anniversary of the all who have tried them. They have subirth of Her Most Gracious Majesty Queen perseded in this market all other Watches coming within the range of their prices. ---

solely by making GOOD WATCHES,

AND DAY OF REJOICING IN HER AND SELLING THEM AT MODERATE PRICES. Now know ye, that I, John Creighton, At the present rate of Exchange between the two countries, American Watches can by and with the advice and consent of the be sold for Canada currency at about one half of the currency prices in the States? of the City of Kingston, do hereby request and as we have not advanced the prices of our Watches since the war commenced ! 24th DAY OF MAY, INSTANT, proportion to the rise of gold, this state of As a General Holiday and Day of Rejoic-
