THE MARKET BUILDING.

We were in great hopes that the City Council would settle the disputed point of Back Kitchen or no Back Kitchen, but the settlement seems as far off as ever. The simple truth is, the Special Committee origiugly project. Still, they are too proud to give way, and thus the matter stands, like | ter. Mahomet's coffin, neither in heaven nor on earth-nowhere. Every day the opposinever to be heard of again. As it was, it when it comes up again, the same result may be anticipated.
