COMMERCE AND MARINE.

WEDNESDAY MORNING, JULY 5, 1865.

MARINE ITEMS.—The business done yesterday was very poor, and hardly worth noting. The Royal Mail steamer Grecian passed down in the morning, and the Spartan up in the evening. The American Express steamer Bay State passed down in the morning. The propeller Brantford passed up in the morning. The barque Gem left in the morning for Oswego with a cargo of lumber, shipped by James Swift. The steamer St. Helen passed down on Monday, with a very heavy cargo for Montreal. The steamer City of Ottawa arrived yesterday morning from Ottawa, and left for Ottawa in the afternoon.

THE CROPS.

The heavy rains on Sunday and Monday last have had the most beneficial influence upon the crops in this section of country — Fields which before, owing to the want of rain, presented a sad appearance, are now in the most flourishing condition; and the prospects at the present time of a rich harvest are flattering in the extreme.—Morrisburg Courier.

Although to the east of this country we hear startling reports of the ravages of the midge among the wheat, the wheat never looked better in Middlesex, and the absence of this pest is generally remarked. In some sections the stalk is short, but the late rains have materially improved its appearance.—London Prototype.

The labour of gardening in the products of the soil has fairly commenced. The farmers are sweeping down the early clover, and in a few days hoeing will be occupying the general care and anxiety. The hay crop in this district will be a splendid one; the grass got a fair start from the spring rains, and was able to defy the after dry weather; occasional showers have also helped it considerably. On the whole the prospects are encouraging, though not so good as we should like to see them, for the pesky little midge has done considerable damage to the finer variety of grain—but we think the 'midge-proof,' the bearded, and other coarse grain will not be very materially injured.—[Brampton Times.

ASHORE.—The propeller Montgomery, of the Chicago and Racine line, went ashore on the northeast point of Mackinac harbor, during a heavy fog, on the 24th inst.

A FLOWING WELL STRUCK AT PETROLIA.—Wyoming, July 3.—On Saturday evening last, at Petrolia, a flowing well was struck owned by Messrs. Ward & Co. of Wyoming. It flows pure oil, no water of any account accompanying it.—It is certainly the best well that has been struck in the vicinity, and is causing considerable excitement.

VESSELS PASSED THROUGH THE WELLAND CANAL.—July 3.—Schr Anna Craig, Kingston, Needfull Bay, no cargo; schr Grecee, Murray, Oswego, Chicago, coal; schr Plymouth Rock, Toledo, Oswego wheat; schr G. Smith, Kingston, Cleveland, iron ore; schr C. G. Griswold, Oswego, Toledo, salt; schr Thornton, Oswego, Toledo, salt; Barque R Gaskin, Kingston, Chicago, no cargo; schr James Navagh, Kingston, Chicago, no cargo; schr Barbarian, Kingston, Chicago, no cargo; schr Delos De Wolf, Kingston, Chicago no cargo; schr Knight Templar, Oswego, Toledo, salt; schr Lewis Wells, Oswego, Toledo, no cargo; schr Hiawatha, Oswego, Toledo, salt; schr Cuba Oswego, Chicago, coal; schr Abronson, Oswego, Chicago, no cargo; schr Portland, Oswego, Milwaukie, salt; schr Maize, Chicago, Toledo, salt; schr Prince Alfred, Kingston, Chicago, salt; Barque S A Mash, Kingston, Wallaceburgh, no cargo.

MILWAUKIE MARKETS.—July 3rd. Wheat $1,05½, firm; receipts 42,000 bushels. Flour $5,00. Grain-Freights to Kingston 11c., nominal; no vessels.

CUSTOMS IMPORTS.

July 4th.

St. Ray State, Lewiston—4 crates cherries, 2 crates strawberries, R. Town; 4 crates cherries, B. Nelligan; 1 waggon, J. O'Brien.

Sloop Greyhound, Oswego—83 bbls flour, 350 sacks corn meal, J. Carruthers & Co.

CHIRIQUI IMAGES.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—[Lowell, Mass.) Sentinel.

A GENTLEMAN cured of Nervous Debility, Premature Decay, and the effects of youthful Indiscretion, will be happy to furnish others with the means of cure (free of charge). This remedy is simple, safe and certain.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. L. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

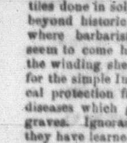
AYER'S SARSAPARILLA



IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens; How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2moss

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostate and had to abandon my business.

H. B. KINGSLEY,

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
284 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AMERICAN WATCHES.

THE AMERICAN WATCH Co.
OF WALTHAM, MASS.,

Having recently increased their facilities for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desious of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large demand for their Watches in the United States.

The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 150,000 Watches of their manufacture have passed into use among the people, and have given, with rare exceptions, the utmost satisfaction to all who have tried them. They have superseded in this market all other Watches coming within the range of their prices.—The Company have attained this result solely by making

GOOD WATCHES,
AND SELLING THEM AT MODERATE PRICES.

At the present rate of Exchange between the two countries, American Watches can be sold for Canada currency at about one half of the currency prices in the States; and as we have not advanced the prices of our Watches since the war commenced in proportion to the rise of gold, this state of exchange renders them cheaper, in reality, than they were before the war.

The Company do not solicit orders for single Watches, but will be happy to furnish every one with full information respecting them, and to fill such orders from the Watch Trade as they may be favored with.
