LATEST FROM THE SOUTH.

New York, July 10. The steamer Costa Rica brings Panama

dates to the 1st. Another feeble attempt is making to get up a revolution on the Isthmus. The ex Queen of the Sandwich Islands

Gen. Barrios had arrived off the port La Union, but probably learning that the revolution had failed, did not land, Advices from Chilli state that the Spanish uestion has been amicably settled.

A Buenos Ayres paper states thera mu uv had occurred on the American barque William Tell, in which the captain and mate had been killed.

Brazil uniting with the Argentines and Uruguayans had commenced a cruel war against Paraguay. There were immense. forces in the field on both sides, and hostilties are being carried on without mercy. A third revolution has broken out in Bolivia, growing out of the recently self elected President Milligarego.

The revolutionists were marching on the city of La Paz, fand it was thought they would sack the city. The revolution is Peru seems to be gaining ground. General Causeco, actual Vice-President of Peru, has President Urbina had broken out in Equador. The war steamer Guasos was captured by a number of armed men on board the steamer Washington. The latter vessel floated down alongside under pretence that the current carried her there. The commander of the Guazos was killed. An attack on Guayaquil JUST RECEIVED ... by Urbina was daily expected, but it was

thought he would be repulsed. Washington, July 10. The Secretary of State continues his duties in almost perfect health. The novel and extraordinary splint was removed from his | Spiced face by order of his surgeons and proves to have been a marvellous success, and very few traces are to be seen of the original accident and the subsequent assault of the baffled assassin, with the exception of a slight swelling on the side of the right cheek. Seward rose this morning, dressed himself and performed his toilet, even to shaving withou His friends and the country will be riad to learn that he has entirely recovered the use of his arms, one of which was fearfully maimed when he was thrown from his carriage. For 70 days of three months' of suffering, Mr. Seward's mind has been engaged in the transaction of public busiless, a fact which will enable him with comparative case to resume the active and laborious duties of his department. New York, July 8.

The Herald in its account of the execution says Atzeroit made the following statemen yesterday morning :- He took a room at the Kirk wood House on Thursday in order to g from Vice-President Johnston to go Richmond. Booth was to leave the Richmon. Theatre, and the President was to be invited to attend it when visiting Richmond, and captured there. Harrold brought the pistel and knife to the room about .2:30 o'clock on have anything to do with the murder of IN accordance with the above Order, No-Johnson, when Booth said that Barrold had | I tice is hereby given that the authorised more courage than Atzerott, and he wanted | discount is declared to be this day 28 per do it.
