ON ANNEXATION.

No sooner has one sensation cry been stilled by the voice of public opinion, than another is immediately raised. Fenianism is put down for aye. No longer is that cry a bugbear to terrify old maids and weakminded Christians, No longer is there any danger or dread of waking one fine morning in our beds with our throats cut. Fenianism is laid in the tomb of all the Capulets, there to rest until the day of doom, or until the discontented Irish in the United | learned, nor too fashionable, 'Lendon States obtain a fleet of Iron Clads to invade | Society' for July comes to cheer us with its and capture the 'auld sod.'

there is the slightest probability of this menced-'Faithful and True.' thing happening during the lifetime of the THE CHURCHMAN for July. A London present generation, but it serves as a rallying point for all the Grits and grumblers to prate about. We are not about to inflict upon our readers a recapitulation of the shall publish the Monthly Advertisement of articles against the policy of Annexation this Magazine, we shall not weary our published in the British Whig a few weeks | readers with a list of its various excellencie, ago, but are going to tell one home truth but refer them at once to our Advertising worth a thousand arguments. BELLE BOYD IN CAMP AND PRISON. WI ten by Herself. Bielock & Company New York. 12 mo. pp. 464. Bound

Everybody in America knows something lady distinguished for her gallantry and pluck during the whole of the past War .-P.M. Married to an ex-Lieutenant of the U.S. Navy, Mrs. Hardinge, now in England, has published an Autobiography of her Life and Times, under the supervising care of Mr. Augustus Sals. The narrative is fairly written, with occasional strong expressions but not written disparagingly of the Yankees, by whom she seems to have been treated very compassionately, considering that she killed with her own hand one Federal soldier, and was ever actively employed as a Confederate Spy. Well-born, young and handsome, she seems to have been the Pet of the South, and altho' repeatedly arrested

by the Federals, she was petted at Wash-

However brutzl in their general treatmen of political prisoners, the Federals appear t have made an exception in 'Belle Boyd's case. The story of her capture and he marriage to her captor, is romantic in extreme, and adds another fact to the truism, that truth is offtimes stranger than fiction.' 'Belle Boyd' after her marriage London suffered the pangs of povertywas no heroine in that cold city, and Mr Augustus Sala had to make an appeal to the a public in her behalf, an appeal that was responded to most heartily. The release of her husband, who was most unjustifiably and most cruelly treated by the Federals?

IMPORTANT DOCUMENT.

SCOTIA FROM MR. CARDWELL.

Downing Street, 2 th June, 1865 Sin .- I have the honour to transmit to yo count Monck and myself, on the affairs British North America, which has lately form Majesty's Government and a deputation from he Canadian Government.

This correspondence having been presented to both Houses of the Imperial Parliament, by ommand of Her Majesty, I have to direct you Nova Scotia at its next meeting erament, that it is an object much to be desir- Mr. Redpath and a part of the Delegates In the territorial extent of Canada, and in the Lower Provinces, Her Majesty's Governmen see the elements of power, which only requito be combined in order to secure for the Proi vioce which shall possess them all a place the world. In the spirit of loyalty to the Brit-

ish Crown of attachment to British conne which all the Provinces are animated alike .--Her Majesty's Government recognize the bond by which all may be combined under one Government. Such a union seems to Her Majesty' Government to recommend itself to the Provinces on many grounds of moral and material advantage, as giving a well founded prospect improved administration and increased

Majesty's Government feel it more especially their duty to press upon the Legislature Nova Scotia. Looking to the determination which this country has never exhibited to gard the defence of the Colonies as a matter of vrial concern, the Colonies must recognize right, and even acknowledge an obligation with earnestness and just authority the measures which they consider to be most expedie. on the part of the colonies, with a view to their defence. Nor can it be doubtful that the Provinces of British North America are incapal when separated and divided from each other, easily undertaken by a Province uniting in

itself all the resources of the whole. I am aware that a project so novel, as as so important, has not been at once accen in Nova Scotia with that cordially which has marked its acceptance by the Legislature Canada ; but Her Majesty's Government trust that after a full and careful examination the subject in all its' bearings, the Maritime Provinces will perceive the great advantages which, in the opinion of Her Majesty's Gov-

CHURCHMAN'S TAMILY A TAGAZINE C ILLUSTRATED. I'S IN MONTHLY.

"Among the many religious periodicals of the present day this magazine occupies t place of its own. Most magazines of a religious character address the Christian world at large; but this is essentially a Church of England publication, written by Churchmen -which regard the events and the literature of the world from a Churchman's point of view. There can be little doubt that the in creasing efforts now being made to render this periodical still more worthy of support will be appreciated. Some of the most distinguished writers of the present day are eutous manner with subjects which employ the thoughts of Christian men, and which may be of use and delight in the circle of the Ch tian family. 'The Clerical Club,' as usual deals with a variety of topics in a smar style,"-Doncaster Gazette.
