The last steamers at this port 23rd of August, between the hours of twelve | It appears, says the London Post of the 107 of Cook, and State of Illinois, by pistol shots and inquired if three children could be acfired by police officer James Hall; and we, comodated with a bed for a few night ing of the above-named individuals, police occupied, he said that the children were officer James, Hall was, in the discharge of respectively six, eight and ten years old, and his official duty, and the jury fully justifies that the accomposation would be sufficient He called again on Monday afternoon with were down stairs by half-past six. They Brantford, convened by the Mayor, is opposed At the conclusion of the inquest, one jury- were very cheerful, and waited in the coffee to the Legislature of this Pravince passing used the present. He was satisfied with have evening. About six o'clock he came again; and the children had tes and bread and bu' he would take them to bed, in the however, inquiring if another room could be provided. This he was told he could have, when he went upstairs and put the children to bed, the two younger in the room formerly occupied by them, and the eldest in room. He then went out, saying he would shortly be back, and be made bis appearance at nine o'clock. He asked for a candle to see that the children were all right, and after remaining upstairs a short time ouse, saying he would return in the morning. He did not, however, make his appearance and, as the children were down-stairs early the previous morning, some doubt existed as to whether they should be awakened. Halfpast eight arrived, when one of the chambe maids entered the first room in two younger children were placed in bed, and, to her extreme horror, found they were dead. She immediately raised an alarm, when the proprietor and others entered the room in which the eldest child had been placed, and their found that he was dead. The appearance of the bodies clearly showed that they had expired without much struggling, if any. That is borne out a great extent from the fact that the youngest child the three children were pronounced to have been dead some hours, and, in the absence of
