---THE AMALGAMATION BILL.

In the Railway Committee to-day, the Amaigamation Bill was taken up and the Committee was addressed by Mr. Irving, Solicitor of the Great Western, and by Mr. Brydges. The Committee seemed impa ient of speeches, and, on a division being taken, the preamble was carried on following vote :--

Yeas-Bell, Blanchet, Brousseau, Cartier, Cauchon, Chambers, Cockburn, Currier DeBoucherville, DeNiverville, Harwood, Irvine, John A. Macdonald, Macdongall Morrison, O'Halloran, Robitsille, Rose and Walsh-19.

Nars-Bourassa, Brown, Carling, Dick-

son, Dunkin, Holton, Joly, Lairamboise, John S. Macdonald, Macdonald, (Toronto Mackenzie, (Lambion) McKellar, Morris, White, Wright, (East York)-15. The preamble having been carried, second sections were soon put through, House, which was done this afternoon. The bill may be reached to morrow; if not, it next will hardly come till Monday next Wood was not present in committee.

intends to have nothing further to do w the Bill, and will be governed by the act of the Brantford meeting. The promised amendment to protect Brantford was intrduced in the committee to-day. If the Bill reaches committee of the whole it may be taken up there. Eleven members quantities. The able commissioner of custom of the committee did not vote to-day. Some laix or seven had paired off. The accidental vote in committee by no means selties the question, and the opponents of the measure will fight the battle to the last.

IMPORTANT TO CANADA.

The following Letter appeared London Canadian News of the 17th August: It is worthy of deep attenthe part of Canadian Stock Growers and

CANADIAN MEATS FOR THE ENGLIS MARKETS.

To the Editor of the Canadian News.) Siz,-On taking up your number for inst, at our institute, I was pleased to see at premumerative profits, I thought you would perhaps put a few lines from a practical man as to the best way for the Canadian provision exporters to meet our great emergency and benefit themselves and us.

The great difficulty to overcome is to get dead meat here in good condition and fit for its paying well, as I see by your paper that the retail price of meat in the market at Tor-(which is 4d.,) while to-day in Newgate Market mutton realised 18 cents, or 9d Ib. and heef the same or less according quality. I don't know what the carriage might come to, but say a id, per 15., or £41 per ton; this surely would pay the freight and leave a large margin of profit for the consignor and consignee, as well as pay an extra rate to the shipowner to take great care of the cargo.

the thing with spirit during this coming winter for dead meat. lst. Never kill a beast for export that has

been driven far just before being killed. 2nd. On slaughtering let the animal bleed 3rd. Let the carease hang for two days, or at least one day and a baif, to dry to some

extent and harden the muscular vessels of the 4th Send only the hind-quarter of beef and mutton (till the experiment has been tried).

and be careful to cut out any kernels that show in the loin fat and take away the kidners. 5th. Pack them with a layer of thin canvas between each quarter (and always put the pair together) in an open crate similar to cruck crate, with a short leg to stand on, that the air can get all round the meat during) its voyage to hingiand. I need not add that ; as much as possible of this freight should be Trunk Railway and the Suffain & Lake put on deck: During the months from Octoher or November to April or May, meat would in good condition, and as it would keep the distance with case. I most fully agree tion of the food exporters of B. N. Americ
