THE PROVINCIAL SYNOD

MOSTREAL, Sept. 16. Thursday even-

deavor in a constant chain of flowers of oratory. His illustrations were fresh and pointed and woven with the brightest gerns of love for holy things and goodly purposes.

There are lots of marriages to chronicle it had in Toronto synod, and he would be purposed. The purposes of Dunrayen's two letters to me. Unfortunately I did not keep a copy of the short note I sent him about recopy of the short note I

But underneath the reverent thankful tact, broke the suspense by frankly stating the grievance. The action of the board of management at Halifax last year, in attaching a salary of \$2,000 to the hon-

sued, warmed to full heat by Canon Dum- ward men, replying to Canon Young, of the Toronto occlesiastie's phillipics, and

no doubt feeling mentally, in cat and par-rot style, "Well, we've had a jay of a time!" It was eleven p.m., and after three

essions, ere the report was finally passed. Among the mission plans was one of the souse of bishops to vote the full stipend of again fail and retirement be necessary an allowance of \$2,500 a year be paid him during life, a thoughtful, generous pro-vision, which must give the brilliant pre-

prisdiction over the east, north and south ore, be in order, but action had to be postponed for want of means and adequate Canadian missions will be moved, re-set-tled and consolidated. The woman's aux-iliary applied for a conference and had grievances arising out of the debates. The

grievances arising out of the debates. The bishop of Huron, Canon Young and R. V. Rogers waited on the fair legislators and after making humble confession for their fellow members, restored the synod in their confidence. Arising out of this rebellion of the rising woman came a pro-posal to give the ladies auxiliary repre-sentation on the general board of mission, thus keeping the two great bodies in board

taining day. A breeze sprung up over a picayune message from the house of bishops, complaining of three errors or omissions in the record of proceedings of two past sessions. The house of delegates enthusiastically endorsed the zeal and laboring application of their messages and it bit him. The man had neglected to remove the fange, and his death resulted in consequences. sone of their business anyway, as it is a record of the lower house only. As a pro-clamation of infallibility the message of the bishop was admirable, however.

genuity of delegates on points of order. About forty of the members are barristers, who carry into the synod their most argumentative and technical spirit, and this day their factionsness and assertion was carried to such an extreme that the house was dubbed the most disorderly on Canadian soil. The speaker of the house of commons
