braided him for leaving his mission work and he decided to return to it. to Carrying Place and finally to King-ston in 1843 and began what may be called his life work. His field teeth. For sale by E. C. Mitchell. extended from lot twenty-four referred to, Milier's Headache Powders to what is now Portsmouth. His first place of worship was a rough-cast building, still standing, on Sydenham street, just across from the Methodist church. His congregation numbered at first twolve or to take and sure to cure, at McLeod's only. The appeal case of Johnston Brown will be heard before Judge Price on Monday

ship in the fall of 1845. Special services the general power to the particular inwere held yesterday in honor of the annifluence which it exercises over each one of building in time became too small and Dan's church of the particular inversary and large congregations attended us, and He says to us who are being saved the congregation removed to a room in the Paul's church next week, probably on Wed-In the morning the service was conduct thought up in your heart. Cherish it you be the rector, Rev. J. K. McMorine, who are teachers, whether in the Bunday.

The lot on which the present church and parsonage were built was donated by the teeth, etc., use Odoroma. For sale by E. late John Macauley. He valued the gift at £400. The original church cost \$4,500. The str.

and the greater part was raised in the city and by the congregation. The corner stone was laid on on September 28th, 1844, by Bishop Strachari. By the following autumn the work was completed and the church opened. September, 1846, the church was conse-crated by Bishop Strachan and set aside T. Murphy does not expect to see Sepof God. In 1848 Mr. J Rogers made a report to the society for the than 9c. For June cheese as high as 8 propagation of the gospel in foreign lands | 11-16c was paid. in which he reported sixty communicants, 100 children in the Sunday school and fourteen teachers. He also says in that

report that the congregation numbered 400, meaning we suppose that there were 400 people in the parish.

I have, said the rector, a list of the pewholders dating from August 1845. They numbered then forty-eight, and of these are only four or five represented either by themselves or their children among the pew-holders of to-day. But there are one or two left who have wor-

shiped in this church during all these fifty The growth was gradual. In 1850 the years, until the work got too heavy for him Ottawa. erected a church in his new field of labor, and now he rests from his labors and is fol-

lowed by his works. In conclusion the rector said : We have to take care how we build on these founda- In England last week Sir Tatten Sykes and soul to Christ's work. Our growth since 1845 would be but a sad mockery if it were not a type of an inward enlargement going on in the hearts and lives of each of us. Probably fifty years hence men and women will be meeting in this church and celebrating the centennial of its creetion. Perhaps a few of the little ones who took part in to-day's ceremonies will a be present them. It trust these who will such a first the centennial of its creeting the centenni

contrast with the power of Romanas to strike the Corinthians with wonder. All their thoughts were centred on the privileges and Immunities of being a Roman citizen. And yet the man who wrote these words was no mere ignorant enthusiast. He was one who was himself a Roman citizen, one who knew the power a Roman citizen and the citizen as a long time. In trust those who will be present them. I trust those who will be present them as a long time. In fants then have green then.
