coss street from Sydenbara to Clergy, was will examine it to see whether or not it has been sufficiently signed.

The petition of P. Fallon was referred to

Ald. Tait and the engineer.

Mr. Breck's letter re fenders for the street care was received. At the request of Dr. Walkem, chair-man of the board of health, authority was given to flush the drain on King street. The chairman and engineer were structed to prepare a report re the walk asked for by C. J. Graham. They will also examine the premises of Mrs. Walker, who seks for remission of sewer rate on Arch street, also on the petition of Mr. Lindsay on James street. The engineer read a letter he had received from the Canadian granite company

asking for the ten per cent. on the cost of the granolithic walks laid in 1893, which amount has been kept back since the year named. The chairman and ongineer will examine these walks and will afterwards report to the board. Last Game Of The Ser Varsity vs. Queen's will be played Ba-turday afternoon at 2:30 on K.A.A.A. grounds. Admission, 25c.; grand stand

board for approval, and gave as his opin-ion, that the seats designed by writing master Newlands was superior to all others. He thought no school board would hesitate in accepting it in preference to all others.
