LAWS TO INSURE

Proper and Beseeming Conduct on the Part of the Freshmen. Any freshman is guilty of an indictpany with a young lady : Provided she is dictable offence and liable to be sold to a

ot his aunty or mamma. 2. Any freshman is guilty of an indictable offence and liable to three months in street. the Kingston hospital, who is seen anywhere with a cane, club, stick or any other implement of a like nature. 3. Any freehman is guilty of an indict-

able offence and liable to "the three months hoist," who, at any time after three days garten who passes a sophomore without outhing his hat ; and it shall be uo excuse that he did not know such sophomore or that such sophomore looked like a senior.

5. Any freshy is guilty of an indictable cobwebs from the ceiling who appears in and also the day of the month and the the reading room of Queen's college after twelve o'clock noon | such room after that time being specially devoted to the use of

6. Any freehman is guilty of an indict-able offence and liable to become a subject for the medicals who is seen making use of the apparatus in the gymnasium. 7. Any freshman is guilty of an indictable offence and liable to be put under the tap for five minutes who appears in the college halls with a dirty face, as is

any mud or other dirt on the floor; and should a freshman see any soph. so doing cuthartic or purgative pills. Carter's Lit-

9. Any freshman is guilty of an indict-able offence and liable to be deprived of his one atom of brain who does not, while the senier class is present, keep a respectfu

10. Any freehman is guilty of an indictable offence and liable to three years at the infants' home who is found out of bed at nine o'clock at night except on ottes, tes, Lay-seed, came, cedar-bark or swillin-leaves, as the money wasted as would buy him many toys.

12. Any freshman is guilty of an indictable offence and liable to three years at

Corbett's castle, who, judging from his fresh antics, thinks he has a mortgage on the university and relies on his sublime conceit for safety, while he barks from behind a "white washed fence"s after the manner of mongrel puppies. the House of Industry who is seen in com- ; 13: Any sophomore is guilty of an in-

> hand-organ man to play monkey for penmes, who is found playing marbles on the N.B. Any sophomore proving innocence or verdancy in any charge will be leniently dealt with. Also, a plea of autrefois convict or acquit will not mave the freshman from just and meritorious punishment.

By order of the Sorms. *Collar usually seven inches high.

Another Carlesity. Renfrew Mercury. Rev. Mr. Delong a few days ago showed

and without the aid of spectacles, for which he has no need, though over fifts years of age. In a space not larger that a five cent piece, he has written the Lord's year, his residence and his name. By point we have no doubt that Mr. Delong's eyesight and steadiness of hand could as complish still smaller and yet legible writing; though probably most persons would need the use of a magnifying glass to see how well it had been done

Plak Cheeks of Miller's Iron Tonic Pitle. For people of both sexes who are either pale, weak or nervous they have no equal. Fifty pills

he may immediately wipe the floor with the | the Liver Pills are entirely unlike them in every respect. One trial will prove their

Baby was troubled with stone on hand and legs. I fried "Palmo-Tar Soap." for a very short three the name disappeared, skie turnous advantal and white, said the chief got perfectly well.

Mac. Hancanar, Oresites:
