PIANOS

The sum of \$1,000 is paid for each license The saloon keepers' association does not take any part whatever in politics. It is porely a social organization. High license in so far as I have been able to judge, the best system that has ever obtained i this city, and I think that much of the good gesulting from the system is due to

under the control and direction exclusively of the judges of our courts. The despatch from Chicago says: There are 7,000 saloons in Chicago, and each pays \$500 a year license. The majority of these TAYLOR'S New Store Store saloons are open on Sunday. The only saloons closed are located in districts where there is no Sunday business. Not only are side doors open, but front doors as well. side doors open, but front doors as well. but the blinds are drawn on Sunday. The restrictions to a wide open Sunday law and city ordinance. Neither were of this ordinance is left to the policeman on the best. The result is corruption and non-enforcement of the law. There is a saloon-keepers' association here, and it is active in politics. The most potent power I in local politics is the brewers' association. This association probably owns one-half the Armenians. The government offi. £500 a side to C. R. Harding, the English he made the alterations. After this Mr. light orange yellow but there are many members hold some of the responsible city responsible for disseminating the idea that Rev. W. B.
