What would any decent married couple think if somebody went on the platform and announced with a flourish of trum pets that they lived together in peace. Most married people would regard, and very properly regard, the announcement as a gross insult. A similar an nouncement about christians is considered a high compliment. That kind of

ter's spirit it would be taken for grant

The artificial means that are sometimes used to promote brotherly love ronto, Oanada. among churches are also revealers. In fact they generally show two thingsthe absence of the thing sought and it by artificial methods. If people have not enough of the grace of God to live in harmony as church neighbors, harmony never will be promoted by union meetings." As a matter of fact, churches never get on so well together as when each one minds its own business and does the best work it can for the Lord. The more faithfully that churches work for Christ the more will they rethe Ottawa river and exemine every community between the capital and Lake Huron, and it will generally be found dress M. Ronggreson, B.A. date Instructor in lines, and that the poorest spirit is found where the people make the most fuss Two FURNISHED FRONT BOOMS, WITH about what they call "union." Envy, jealousy, bickering, sheep stealing and a lot of other ecclesiastical vermin are DESIBABLE BUSINESS STAND, NEXT not unfrequently found in conjunction D to the new Wing office, is to let with with estentatious drivel about "union sentiment." Ministers who work hard day for Christ usually love and respect one another far more than ministers who spend their time engineering hardware house for over twenty years. Appropriate demonstrations. In fact no small ply to J. P. GILDERSLEEVE, Clarence street. amount of the friction and jealousy oomes in when the programme for the union demonstration has to be drawn up. By all means let the churches help one land Barrie streets. Stable on the premises. Immediate Possession. Apply to Jour Muders, in Clarific Streets. comes in when the programme for the another, but the help should be the se Clarence street. outcome of fraternal regard, not an effort to pump up regard when the well

must necessarily be more or less personal, and bitterly personal it often is. The congregation, the office bearers, the minister must be attacked because the creed and the mode of worship cannot be. The most detestably ugly things we have over heard about churches have been said by professedly christian prople been said by professedly christian people about rival congregation in their own church. The dirtiest tricks we have ever A citizen remarked to a Wano reporter known have been played by people who fact, well known to all practical men, to-day that he thought the solicitor's called themselves christians, the object ed that much study, deep thought, and legislacumen were called for on the part of the solicitor. The work in connection grounds. They may reach the city to-day.

Three canals are to be becetted by the appropriation granted by the people of New York state. The Eric canal is to receive \$5,000,000. Work will begin in the spring, to be completed in two years. The Eric canal is to be deepened to nine feet. It is now about six feet and has not been improved since 1862.
