Mr. Paterson, M. P., Liberal For Brant, the

Author of the Enactment. Thomas Bain, M. P., at one of Mr. Laurier's meetings corrected a statement in the Mail and Empire, which gave George Taylor, M. P., credit for having procured multaneously along both shores and the prohibition of the sale of oleomargarine in the dominion. Mr. Taylor replied by reasserting his claim, Mr. Bain replies overwhelmingly in the columns of the Brockville Recorder. Mr. Bain shows that Mr. Taylor, gave notice on March 12th, 1886, that it was expedient to bring. in a bill to regulate the manufacture , and sale of oleomargarine, butterine, and other substitutes for butter. The use of the word "regulate" will be observed On March 30th Mr. Foster introduced his budget, on which it was proposed to put a specific duty of ten cents per pound on they imported article and an excise duty of eight cents on the domestic product. On the 7th of April Mr. Taylor made the first attempt to proceed with his motion, and in course of doing so expressed himself pleased with the proposals of the government. On the 16th of April when either side by a star.
