A MINISTER'S TESTIMONY

DEAR SIR.: In acknowledging receipt of your: favor of the 21st inst., enclosing cheque for \$1,921.42, representing the profits on my 5.0(0) twenty-year endowment policy up the 5th inst., permit me to express my satisfaction at what is a very excellent result. Having had the risk on my life carried during the fifteen years the Policy has been in force, my present receipt of about fifty-three per cent. of my money as a dividend, with the Policy still continued, or my having the option, as you tell me I have, of taking in cash \$5 134.72. while my Policy yet lacks five years of reaching its maturity, demonstrates a capacity for pany with which I think your Policy-holders When I became connected with the North American fifteen years ago, I-did so mainly on account of my old and true friend, Hon

Alexander Mackenzie, being president, for I knew that in any institution with which he would thus actively associate himself, there must be both a firm foundation andeco-workfords me pleasure to say that the ettlement you are now making with me justifies that Having taken only my surplus, I will continue my oblicy till its maturity Faithfully yours, L.
