LETTERS TO THE EDITOR.

Never Published Such A Book.

KINGSTON, March 10 .- (To the Editor) No book entitled "Testimony of History to Mr. Hardy spoke of the matrons of the the Truth of Scripture" was ever published by canon Rawlinson. The book bearing that title is one is sued by the noted anti-infidel lecturer, H. L. Hastings, in collaboration their own merits to their present positions. with some American college professor neither of whom are Egyptologists. It consists of portions of canon Rawlinson's Bampton lectures, together with additions and notes by these two men. As the Alden edition of the lectures it is certainly not Rawlin on's. Rawlinson does, however, mention "co hieroglyphics of the pyramic period (R.C. 2450 2300)," but that date is In moving the second reading Mr. Hardy given on Wilkinson's authority and refers only to the fourth and fifth dynasties. Mr. Hoppins has "proved" what is contrary to The principle of electing a proportion of the facts. - BOOK WORM.

A Resolution Passed.

At the meeting of the Christian Endeavor society of Brock street Methodist church Monday evening, the following resolution was unanimously adopted: "That in view of the plobiscite taken in

the province, January, 1894, resulting in a majority for prohibition of \$1,769, and in view of the pledges given by the Hon. Mr. Mowat, that the government would promote prohibitory legislation as far as the jurisdiction of the province would permit, and in view of the subsequent pledge made Fresh from the loom, in patterns (b) by the Hon. Mr. Hardy, that the governmarvels of art and workmanship. ment would go forward in this direction as warrant and the jurisdiction of the province would allow; we, therefore, deeply re- time. gret and would strongly oppose the present bill before the government for this purpose as being utterly inadequate to meet Thinks the Government Has Done Much oither the pledges given by the honorable

plebiscite vote. such legislation.

A discussion arose on the attorney generpl's bill for reducing the number of councillors in town councils. The controversial part of the bill lies in clauses one and two, in which it is provided that in towns of over 4.000 inhabitants two councillore shall be elected in each ward and two councillors by the electors at large. In towns of 4,000 and under the total number will be six, all to be elected by the people at large. said he expected the question of the number would be threshed out in committee. the councillors by the ratepayers at large was adopted so that minorities might have an opportunity of securing a representative in the councils. Mr. Haycock declared Lis adhosion to all measures that would lessen the number of law-makers in Canada. There were 713 of them in the dominion. (If Great Britain had legislators in proportion the British Isles would be blessed with 5,720 law-givers. Mr. Matheson ventured the opinion that the council of Toronto had not been improved by reducing the number of aldermen, an opinion from which Mr. Hardy dissented. The bill was read a second time. The bill to amend the married women's property act, of which the attor-noy-general had charge, was read a second
