The collection of new styles and weaves and rare colorings in our Dress Goods of the present season add further lustre to our leadership as a great Dress Goods house. Our own best efforts are overdone in the showing of Spring Goods, and on every hand, as you view the Dress Goods section from one end to the other, evidence of this supremacy is

manifest. It is New Goods that we are to-day selling at prices that you might pay and yet receive only old style and outof date goods. The Dress Goods section is in the centre of the main floor a first position, as it is a first department of our store.

See our Dress Goods windows, then come inside and see hundreds of other styles at prices that will please you.
