"Opifer per Orbem Dicor."

A VERY NEAT PROPOSAL. M.P.F., has a neat proposal to make in the interest of prohibition. The difficulty in the way of that for which he, as a temperance man, has been longing for years, that any attack like that made on Thursthe complete suppression of the liquor

traffic, seems to be a financial one. How is the loss in the revenue to be made up to the dominion? Mr. St. John has a scheme which is

unique to say the least of it. He has under consideration the moving of a resolution in the legislature to the efthat inasmuch as the prohibition of the liquor traffic would cause a reduction in the dominion revenue, the sum which would be deducted should be made up by Outario rom the dominion subsidy to the province. A Toronto correspondent of the Witness observes that got a new lease of power. the proposal "has not evoked any enthupractical plan of suppressing the liquor at Ottawa will please take notice. traffic." It is added that the arguments of Mr. St. John, in support of his pro- tion. The conservatives have not enough widespread interest." Surely!

Ontario is a temperance province, at least a large majority of its electors have voted in favor of probibition, but it is not to be assumed from that that they are willing to bear the bur den of prohibition for the dominion. The loss of revenue from the liquor traffic Has the Largest must, if the people vote therefor in connection with the plebiscite soon to be the provinces and not by one of them medium of the tariff, which touches every

What Makes Men Strong?

ELECTRICITY—The Fountain of Youth, the perpetual energy which sustains all animal life. It is the source from which springs the bubbling spirit of joy in young manhood. It is the vital element which keeps up the nerve force in old men to a good old age. When the body is charged with it the vital powers are strong. Confidence flashes from the eye and the step is firm. Without it—well, how is it with you? Are you weak, gloomy, wanting physical and brain force? If you are weak you should begin at once using this famous appliance

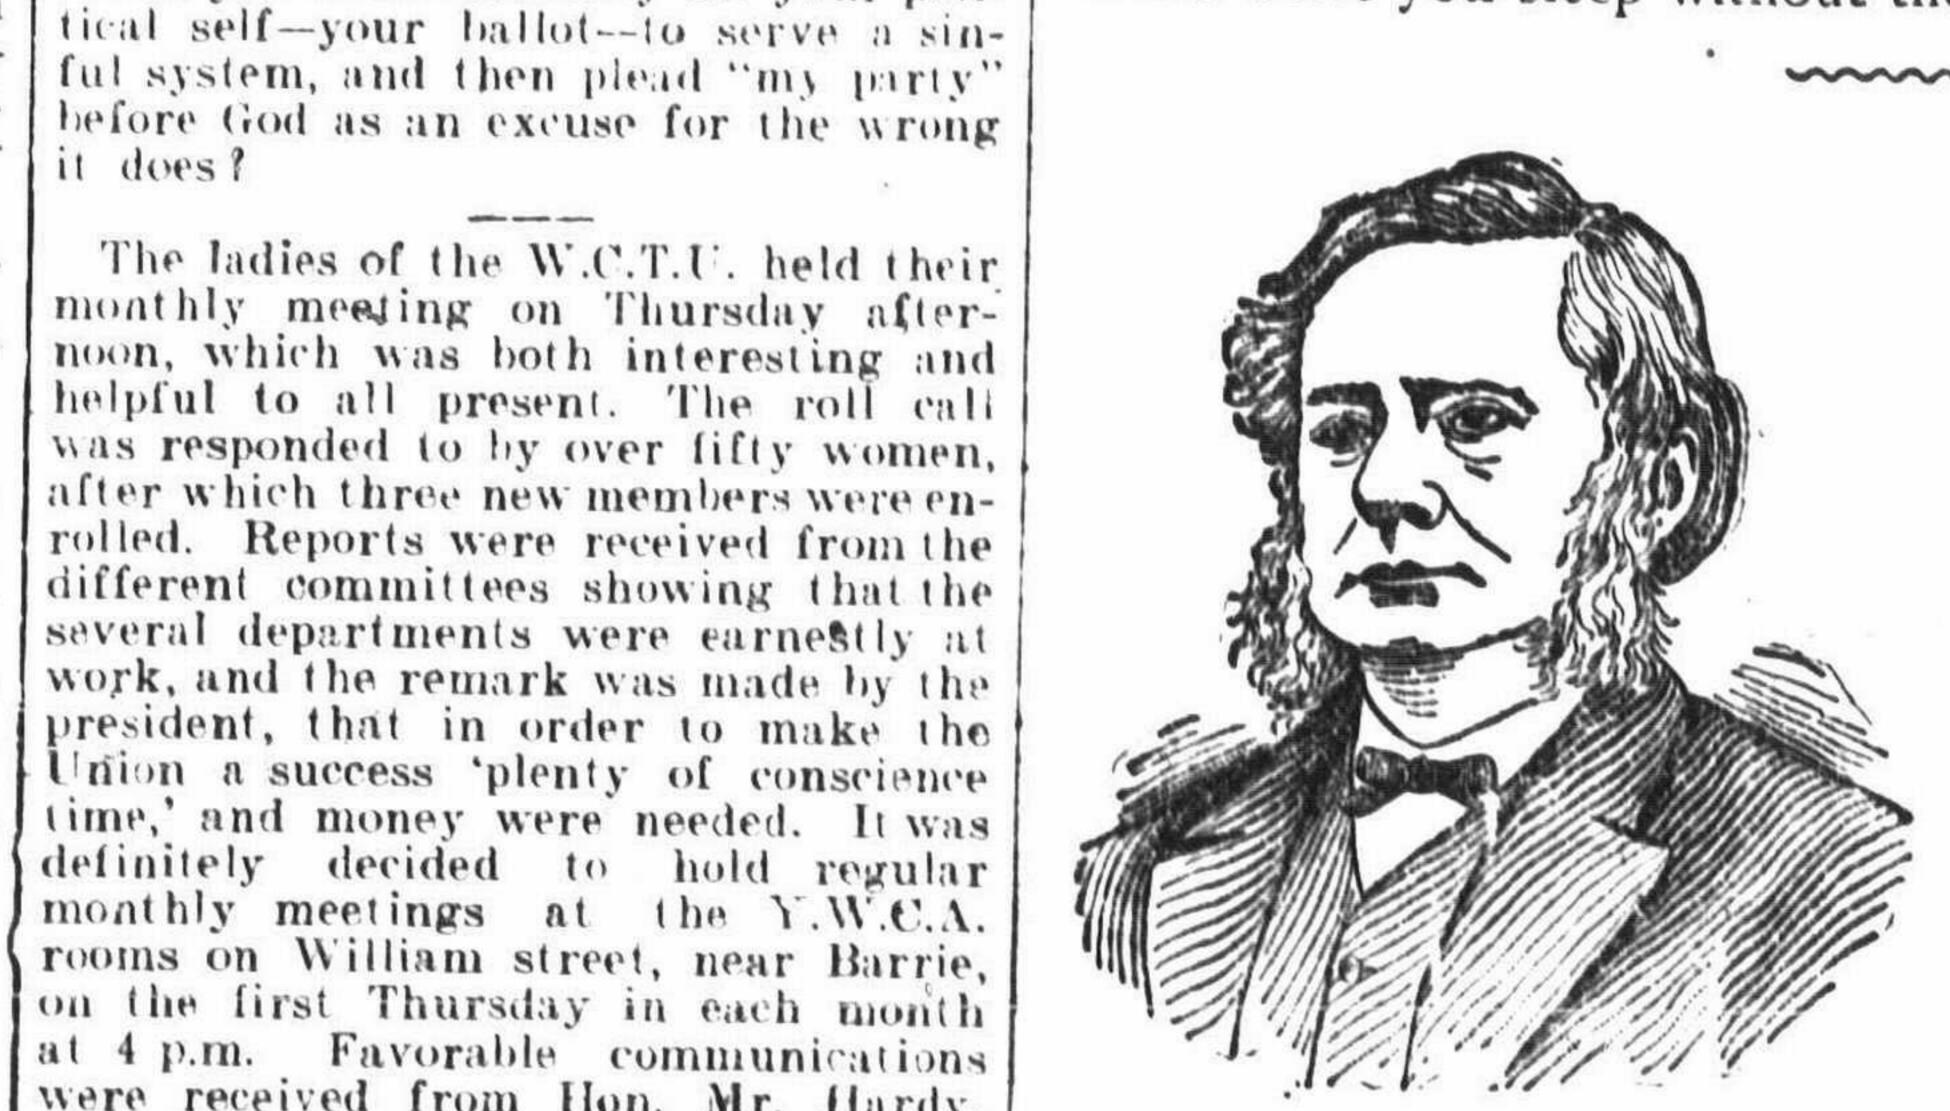

This appliance is the result of twenty years of close study, and contains all the recent improvements known to science. It is, in lact, a perfect battery made in the form of a belt, to be worn on the body while the patient rests.

ARE YOU NOT TIRED OF USELESS DRUGGING?

No doubt you have tried medicines and failed. Why not try of those people-where will it end? May Nature's Own Remedy in this simple but thoroughly scientific way? Improved Electric Suspensory Free with all Belts.

IT CURES YOU WHILE YOU SLEEP.

The electric current from this belt is felt as soon as it touches the body. This is warranted under a forseit of \$5,000. It can be regulated to any power required, while the belt is on the body, and is worn while you sleep without the slightest trouble.

"Three Classes of Men"

is the title of a neat illustrated pocket volume I have just issued, exclusively for men. It gives in plain language the effects following youthful indiscretion and later excesses, as Seminal Weakness, Impotency, Drains and Losses, Varicoccle and Atrophy, or undevelopment, also Rheumatism, Lumbago, Lame Back, Kidney Troubles, etc., and points out an easy and sure cure at home WITHOUT DRUGS OR MEDICINES. It also gives a truthful resume of my thirty years' wonderful success with my Electric Belts in these cases, and every young, middle-aged or old man suffering the slightest weakness should read it and know exactly where he stands. It is sent free, sealed, by mail upon request.
