CAN DYSPEPSIA BE CURED?

ANEWPRINCIPLE

The Food Eaten is Acted Upon, Digested, and Made the Means of Cure.

Dodd's Dyspepsia Tablets are a finished result of modern chemistry formulated with an eye single to the cure of stomach troubles. They have been tried and proven an absolute cure without a single failure. They are making cures that make people talk, that make men and women recognize them as a cure for all conditions of a sick stomach, from its lightest to its gravest form. That king of all stomach troubles, DYSPEPSIA, vanishes under their influence and exists only as a memory of the past. "Dodd's Dyspepsia Tab-"were brought into existence "for the stomach's sake."
