STURDY VETERANS MEET.

Several Matters of Business Disposed of Last Evening.

The Kingston association of veterans who were "out" to repel the Fenian raid of 1866, met in the police court chamber last evening, Lieut.-Col. Duff, 4th Hussars, presiding. The attendance was large, nearly sixty members being present.

The proposed by laws and constitution for the governance of the association were submitted, approved, and adopted. The badge adopted by the Toronto veterans' branch was, after several alterations had been decided upon, to make the badge distinctive of the local branch of the association, selected for use by the members. It was decided to hold the first church parade of the branch on May 23rd in connection with the local and visiting militia

The question of drill was discussed, and the enthusiasm, pluck and sturdiness of the members werestrikingly shown by their unanimous desire to drill twice a week. The matter was finally left to the executive committee to decide.

The secretary was instructed to send a list of the names of members to the headquarters' association in Toronto. The meeting closed with the singing of
