AN EASTERN POTENTATE.

We are to have a visit from royalty longkorn, the king of Siam, is going to run over after he has attended the diamond as he is to cross the United States on his way back to Siam, many of us will have a chance to see him.

His Slamese majesty is one of the most enlightened and enterprising of all the oriental rulers. He is 42 years old, very much married, and has been ruling since 1868. So it is no wonder that he likes to leave his throne once in awhile. The king is a great traveler, and he has both time thing Easily Read and Remembered by and means to indulge in globe trotting. He has an income of \$10,000,000 a year.

When the king of Siam goes abroad, he usually takes his private yacht, a beauti-Mouncey, license inspector, ful craft which he had built a few years ago at Leith. It is an armored cruiser, fortably, and he stops at no expense. His

CHULALONGKORN, KING OF SIAW.

most famous extravagance was the building of a submarine palace of glass. The palace is sunk in a lake within the royal park, and when a hot wave strikes Bangdral parish, fell from the third story win- kok, which is not infrequently, his royal highness retires with a few friends to the bottom of the lake, and there they smoke and are entertained by his dancing girls and favorite musicians.

The crown and state robes of the king of Siam are splendid relics of barbarism. But he still wears them when at home. When he travels, however, he assumes Euclumsy state attire hung up in the royal closet. He always travels with a large secretaries, chamberlains and military Talmage's books sold, and "The Earth O officials. Last summer he visited France in his royal yacht, and he has also taken short trips in the orient. But this will be A gold mine for we his first visit to the new world. Members of his family, however, have traveled in America, and he has met many Americans him to wonder at and admire.

The Tranquil Scot.

George Colman told a story illustrating the invincible tranquillity of the Scottish temperament. A workman, says the legend, fell off the roof of a house in Aule Reckie.
