COOKS AND CHAMBERMAID AS VOTERS IN NEW ZEALAND.

It Works All Right-How the New State of Thiugs is Regarded by the Men-An Interesting Letter on the Subject.

New York, April 20 .- Woman's position in regard to the franchise in New

ing. Many of the women undoubtedly their ancestors. The most inexplicable are influenced by the male members of At a large and well represented meeting | The electric street railway company's fact in connection with the whole engage | are not. I asked my chambermaid how the family, while there are others who These are the best materials of Yarkerites it was unanimously decided open cars are being repainted a uniform ment is the comparatively small number she intended to vote at the next election, and she answered, 'Why, really, Gen. Smolenitz, ex-minister of war, is in Mr. Hughes, I haven't asked my father amount realized to aid in the formation of Hon. W. Harty, commissioner of public command of 14,000 Greeks at Reveni, about it yet.' On the other hand, there the club. It is evident from news receiv works for Ontario, paid a visit to Rock. not far from Tyrnav, north are women who read and think for themselves and vote accordingly. Of Edhem Pasha, closely pressed, was nearly this much you may be assured; having once tasted universal suffrage in its fullest extent, those who have the franchise will never give it up no matter how it works. We have it in New Zealand; and we have it to stay; so the only thing to do is to make the best

tions with them failed to elicit anything more horrible than the attitude chambermaid quoted above They had had a woman mayor in one of the New Zealand cities, and she was a good officer, and the city was orderly and well governed during her term of office. The conversations with these New Zealand men and some additional information on the subject just at hand leads to the conclusion that the enfranchisement of women in New Zealand has come about in a perfectly natural way. It has not been the result of victory for rights. Women grew, as were, into the franchise. Twenty years ago they obtained the right to vote on educational questions under the sorts of things would happen. They (a point), play into the hands of total abstainers and sweep away personal lib-

sinners, "and you will see the puritanical efforts of allowing women to
