He is now in gaol awaiting trial.

A Change Would Do Good.

Militia department officers are complaining because they cannot arbitrarily exercise the camp patronage to favor their personal friends. Is the money theirs or the people's? Is the service for the country or for the benefit of officers so well paid that they should be content without infringing on other people's rights? A few changes in officials would do good. Some have been in place too long.

Real Estate Changes

GOES TO THE HAGUE.

Years of Political Activity. Mr. Stanford Newel, our new minister to the Netherlands, is one of the prominent legal and social lights of St. Paul, and in his appointment has secured the biggest plum awarded to any Minnesota man. He is a member of the swell Minnesota club, and for many years has been active in social circles.

after his education, being graduated from Yale law school, and three years later took his degree. The same year he returned to Minnesota, was admitted to the bar and began the practice of law in St. Paul. For a time he was associated with Worth the price. Judge Brill when that gentleman was elevated to the bench.

In politics Mr. Newel has always taken

STANFORD NEWEL publican state central committee for a number of years, and during one campaign served as chairman. He has been a delegate to several Republican national conventions, and in 1892 was the only Minnesota man who cast a vote for Mc-Kinley. Mr. Newel is married and lives in a handsome home on St. Anthony hill. As envey extraordinary and minister plenipotentiary to the Netherlands, Mr. Newel will have his official residence in The Hague, and will draw an annual salary of \$7,500. The Hague is said to be a very pleasant city in which to live, and doubtless Minister Newel will enjoy the social life of the place very much. He gets the position for which young Alan Arthur. son of the late ex-President Arthur, was Quinby of Michigan.

Mice in Folk Lore. Mice do not play a great part in folklore; even the legend of the "Pied Piper" associates them with rats, says the London Standard. But one recalls a few cases not uninteresting. A Bohemian legend declares that they were created by the devil, whereupon Beneficience produced the cat. When Noah received a pair of them into the ark they straightway began to gnaw a hole through the botbetween ten and fifteen minutes, and the with admirable presence of mind, stopped offense consisted entirely in the indecent the leak with his head. We should conclude that mice are specially destructive in Bohemia, and so it proves to be. Both the white and gray varieties Hourish there, but the former is thought to King's house on Monday to collect money the peasants anxiously catch a white that was owing to him, as he knew that mouse, put it in a comfortable box upon King was working. He left the door open the windowsill, feed and pet it and call when he went in. He asked for the money it "the luck of the house." If satisfied

In that very interesting island of Bali, also, where Brahmanism and Buddhism no attempt that was not quite proper. He inextricably mingled, survive, while all the populations round have long been Moslem, some fortunate mice receive like honor. The Balis catch a pair, clothe the Warden. them in white linen, and set them in a public place, where all the inhabitants of the village bow down before them; prisoners and and write, 'it says, "I adjure you, ye mice now present, neither to injure me field (specifying one not far off), and ever I catch you here I swear by the phone NO. 499. mother of the gods I will tear you into seven pieces.' Write this, and fix the paper on an unhewn stone in your field, taking care that the writing lies uppermost." Thus a man directed all his mice to a neighbor's property, as some villa residents at the present day pitch their nails over the garden wall. That proeding has sometimes led most respectable householders into the police cour frequently into direct quarrels, as in the
