THE ELEVATOR. Were Entitled to Cast Their Ballots-How it Went in the Several Wards-What We May Expect.

Do the people of Kingston want a grain elevator? For reply refer to the hands conceded that the by-law would carry, no (ointment), the greatskin cure, and a full dose of Curicular Resolvent, greatest of blood purifiers and humor cures, when all else falls.

The man are fine, of the rifle corps, did pack drill on the particles and humor cures, when all else falls.

Eight defaulters, all belonging to one looked for so heavy a majority. The piece of tweed in his window for \$13.50 a their interest, and the only regret is that suit, made to order and guaranteed a first-The Gananoque field battery marched the realization did not dawn at an earlier class fit. These goods are all new and from the town named to camp, a distance date. Thousands of dollars have been lost well asserted patterns of English, Scotch to the city by the delay and this, King- and Canadian manufacture. ston's inheritance, has been respect by

Nearly every day since the present season of navigation cpened residing in this city to organize a union. cargoes of grain consigned to this port with the object of securing higher wages have been taken on down to Prescott and and of giving mutual assistance to mem Ogdensburg, simply because the grain bers who may be out of employment. could not be handled here for two reasons: meeting is being arranged for and will be Many of the barges and tugs of the local forwarding companies were busy carrying grain between the ports of Prescott and Ogdensburg and Montreal. Consequently, when lake carrying craft came this far and could not secure despatch, they proceeded on down to either one of the two river nient elevators and storehouses existed for the storage of grain.

As a half-cent a bushel is charged for elevating, and at the lowest possible average each craft leaves \$75 for groceries, etc.; in a port of transhipment, besides the money sailors spend on their own account, a little figuring will show what the city bring others, outlook, and the feeling which interested parties entertain towards the future of this port as a

place of transhipment. Repeatedly captains of large grain carrying craft have St. Mark's church, held at Gillespie's stated that they would rather sun to King- grove, Pittsburg, yesterday, was a success ston at a lower freight rate than accept a in every respect. The afternoon attend- street. larger rate and go to either Prescott, or ance was large and in the evening the Ogdensburg. These men, however, like number was increased, Kingstonians turngood soldiers, were bound to go where ing out splendidly. The band of the 40th duty called them. Of course, it is too late regiment attended in the afternoon and in in the season to hope to have the elevator in working order to catch this year's traffic, but all proving favorable it is hoped the elevator will open its doors to all craft

with the incoming of next season. At no period during the day did the citizens crowd the polls to record their votes. This is easily accounted for, as many did not leave work to walk to the polls, expecting to be sent after, but as a matter of fact very few of those eligible to vote on the measure were solicited to visit available there is no doubt but that the geon-major Cunningham, 5th field battery; taining 75,000 bushels of corn, cleared to creased in ratio with the number of votes next for duty, surgeon-major Turner, 14th day for Montreal. polled.
