Corner Princess of Ontario Sis. KINGSTON, ONT. Under the supervision of Mr. William Cumningham, whose name appears on every instrument.

At the original and principal Factory,

THE reputation of these Pianos is fully established and their qualities approciated throughout the Province, and still further improvements have been introduced in the action by Mr. Cuuningham, which, renders them unparalleled for BRILLIANCY AND EQUALITY OF TONE, ELASTICITY AND HEATING INSTANTANEOUS REPETITION OF TOUCH, which last is o' much importance in the performance of rapid passages. In addition to these the Aigraffe system has been ntroduced, extending throughout the

> Another great improvement in the action of these Pianos is the bushing of all pivot bearings, which renders the action perfeetly noiseless after teing in use for The public and intending purchasers are

respectfully invited to visit the Factory and inspect the instruments, which will bear the examination and give satisfaction to the most critical judges. This Manufactory possesses the following advantages :- In E EXCLUSIVE USE OF

FOX'S IRON-CLAD SOUNDING BOARD, the adoption of every known, and the introduction of many original improvements, and first-class workmen. Each Piano is guaranteed by a written warranty, and references can be given to parties throughout the Provinces who have
