14TH BATTALION .- The P. W. O. Volunteers paraded on Monday evening for Battalien Drill, but did not march out. Owing to the weather the tramp of last Thursday night was postponed indefinitely.

MARKET TOLLS .- The market fees of Belleville for one year were leased on Monday by public auction, and sold for \$1,965. The market tolls of Kingston were let two weeks ago for \$3,184, and yet Belleville is ever comparing its trade with that of Kingston. Its disparagements amount to nothing when plain facts like this one are shewn.

REECTRO-PLATED WARE. - Messrs. Reid & Thompson are at present at the store lately occupied by Mr. W. J. Percy, Brock street, with an array of Watches, Electro-Plated Ware, Cutlery, &c., and we assure our readers that it is not only worth seeing, but buying. They have visited several places, and the local presi speak very highly of them, and that everything that is put up is knocked down revardless of price. We copy the following from the Toronto Leader :- "The aucof languor, lassitude, and "all goneness" pertion sale of the above goods, advertise vades the system.
