She would lose with portraits and other engravings. her political liberty and sink into a parcel of insignificant States, at the mercy of New York and Massachusetts. And she would lose her chance of becoming in time a mighty Dominion, the future Russia of America. And her people would be burthened with heavy taxation, and the at a reasonable tariff, be prohibited ful to the Canadian Craftsman. by Annexation would be an increase commercial business in her cities and towns, that increased business by the way engrossed by speculative Yankees, with all their tricks and lack of probity. No, Canada wants no Annexation

We have been led to these remarks in consequence of a humorous Cartoon the London 'Judy,' (republished in " Diogenes,') which represents Canada in the guise of a handsome young woman, distance picking his teeth with his knife. And these verses are attached :-

A Pertinent Question.

Mamma, dear, look at that odious man, Do you think I ever could bear him? No, not for the wealth of a Kouli Khan-I feel as if I could tear him! Look at his roue, used-up air,
