The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS.

LONDON.

THE COCOA (or Cacao) of MARAVILLA is the true THEOBROMA OF LINNÆUS. Grown in abundance in South America, of which Maravilla is a favoured portion, TAYLOR BROTHERS have secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their suitable principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homœopaths and cocoa-drinkers generally, but many who had hitherto refused any preparation to visit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 16, 1867.

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any though success had been achieved more than Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adopting their perfect system of preparation to this finest of all growths of the Theobroma, they have produced an article which represents every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we can most recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.
