Movements of the Prince.

We have reason to believe that Prince Arthur left Quebec on Monday morning, Rydereached Montreal in the afternoon, and came on to the West, having passed Kingston this morning at four o'clock. He travels in an ordinary train like a private nobleman, without fuse or parade.

The Movements of Sir Francis Hincks.

tuency of North Lanark will only return | Angels; 16, Literature—At Home; 17, ful departure of Lt.-Col. Paton from exhibit to our readers, as soon as this can | rent Events. be done with propriety. From Montreal Governor Hincks will go direct to Lanark, where he will find a powerful and vigorous adversary awaiting him in the person of the Hon. Malcolm Cameron. More anon. - Toronto Telegraph.

Political.

Measrs. Rose and McDougall, as they are about to retire from the Cabinet, have esolved to take no part in any serious deiberations in the Cabinet,

The Toronto Telegraph has an astonish-Hineks and Hon. George Brown are negotisting an alliance. It is believed by many that if they can come to terms, a new party will be formed.

Notes and Comments.

The London Standard pronounces, as any sensible men must, against the Frank- APPLETON'S JOURNAL for Sept. 25th. lin discovery on the ground that the data are too slender.

A Washington special says that Minis-Motley was instructed to accept any invitation from the British authorities to reopen negotiations for a settlement of the Alabama claims, but not to re-open such gotiations himself during the excitem England over the rejection of the former
