Our town assumes a new character with the opening of navigation; we seem to be in active communication with every point of the compass, and day and night are reminded of the fact by the noise and bustle attended on the trade of the

QUEBEC, April 20th, 1855. RAILWAY ACCIDENT.—As the down try, preaching the Gospel, and striving to express train from Montreal was near do all the little good he can, was cruelly as Danville, on its way to this city, about saulted in the Market Square, on Sunday three o'clock on Tuesday afternoon, the last, while exercising what he thinks is his Murphy, there were three gentlemen smo- he knocked the chair from under the little ing, M. P. P., Edward Sherwood, of By- There was no excuse for this cowardly act, town, and Mr. Atkins. Mr. Sherwood for Mr. Cook was saying nothing offensive received some severe contusions, but is reinjured. The locomotive and the passen- fined the defendant Five Dollars, or one

the accident, delayed till gve o'clock yesterday morning. The Grand Trunk Company are again going to apply to Parliament for further aid, to the extent of £800,000.

DAMAGE AT BURLINGTON CANAL. -- As some exaggerated statements are in circulation of injury done to the above work, we

filling of the pier, with a portion of the timber work, has settled into the channel. obstructing something over 20 feet of it. For 70 feet from the south pier the channel has 11 feet depth of water, and for oth er 10 in width there is 91 feet of waterthus giving a clear channel, 80 feet wide, for the passage of steamers and sailing vessels.

We are also informed that a force of men are at work removing the sunken timbers, in order to obtain the full width of the channel. In the meantime, a buoy is placed over
