B. T. Newborough, with rem.

There must be something peculiarly inging in the remarks of the British Whig, for otherwise the passionate and spitted rejoinders they produce would not be so universal. The other day, speaking of the Leader, the Whig soid, that while the Leader was the best printed Daily in the leader was the following letter from "One who lave and part the Road made, if there is no other way left, and five hundred brawness of her Dancing.

The Godden had the Road made, if there is no other way left, and five hundred brawness of her Dancing.

The Godden had the Road made, if the gode is not the Road made, if there is no other way left, and five hundred brawness to the Road made, if the gode is the Road made, if the gode is the gode is the gode is th Now, there was nothing so very ill no lack of interest in things which are to popular, from the fact that recruiting for it | Kingston, Dec. 6th, 1855. natured in this remark, except its truth. happen; or in things which people would has become so difficult, and that its prolon-like to bring about. The only event worth gation is only advocated by those in office. pains taken to make it otherwise, is the present is a sort of stampede in the Colonist ber of Battish troops, officers, and men of it is issued, no one takes it up while either the Globe or Colonist, the other Dailies, is on hand. Albeit the organ of the present Thimble-rig Administration, it seldom or ever contains a particle of intelligence.

Scobis, has left the Colonist in disgust or was forced out of it by its proprietors on the content of the National Intelligence, and men of all arms, who landed in the Crimea before the National Intelligencer, calls the attention of the Interary public to the astounding fact that Professor Longfellow, in his new that engagement the English cutmumbered the Colonist, since the death of Mr. Scobis, has left the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Colonist in disgust or was forced out of it by its proprietors on the Crimea before the Colonist in the Crimea before the Aima, which were 26,800. At that engagement the English cutmumbered in the Crimea before the National Intelligencer, calls the attention of the National Intelligencer, calls the attention of the National Intelligence, all arms, who landed in the Crimea before the Aima, which were 26,800.
