The success of the Pioneer Line, since its first establishment, (four years ago,) is perhaps unprecedented—no serious accident having occurred, and no claim having been made on the insurance offices; whilst, among the thousands of passengers, absolutely, no sickness has been known. The advantages of employing first class ships and experienced commanders is demonstrated by the following remarkable passages, never equalled from this country:—

Advantages of this Institution.
INCREASING RATES OF PREMIUM
A Table of Rates peculiarly applicable to cases where Assurances are effected for securing the payment of debts, and to all other cases where a Policy may be required for a temporary purpose only, but which may be kept up, if necessary, throughout the remainder of life.
HALF-CREDIT RATES OF PREMIUM.
Persons assured according to these Rates are allowed credit for half the amount of the *first seven annual Premiums,* paying interest thereon at the rate of five per cent. per annum, with the option of paying off the arrears of Premiums at any time, or having the amount deducted from the sum assured when the Policy becomes a claim.
SUM ASSURED PAYABLE DURING LIFE.
A Sum may be secured, payable at the death of the Assured, if he die before attaining SIXTY years of age, but also *payable to the Assured himself, if he attain that age,*—thus combining provision for old age with an assurance upon life.
Orphans' & Children's Endowment Branch.
This Branch has been established for the purpose of affording to parents, guardians and others, the means of having children educated and started in life; thus protecting them from the difficulties and destitution to which they may be exposed by the premature deaths of those on whom they are dependent. Reversionary Annuities may thus be secured to commence at the Parent's death, and to be paid until the child if a son, shall have completed his 21st, or, if a daughter, her 25th year of age.
Policies revived, without the exaction of a fine, at any time within twelve months.
Age of the Assured in every case admitted in the Policy.
Medical Attendants remunerated in all cases for their Reports.
Thirty days allowed for payment of Renewal Premiums.
Ladies and others, to whom it may be inconvenient to appear at the Office, visited by one of the Medical Officers.
