which he was supposed to be in search. Mr. Bowell was not a bit pleased. On the | tion was accepted, and Phillips went to work contrary he appeared to be much displeased and through Commissioner Johnson inform ed Mr. Wright that the case was laid be. fore the treasury board, and that its report | came the object of interest to thousan department to comply with the request a rebate. Mr. Wright is very mad, as he has a right to be. Who that is a Canadian and loyal at heart, a genuine patriot and the applauder of the sentiment "Canada for the Canadians," can stand the injustice dignant? Why should Mr. Ritchie, resident of the country whose government the tory politicians are doing their pany every member of which is an alienbe given favors, expensive favors, and a Who, by the way, is this Mr. Ritchie? He is the owner of mines in Hastings county, and the principal owner of the ()atario ()entral railway. He is the special friend Sir Charles Tupper, whom he accompanied from England to Spain where our commis sioner was treaty hunting. He is, moreover, a pronounced annexationist. And he can get anything he asks from our governmentcan even boast of his power over it-and force it to surrender to him. It is an oppor tune time to make the fact known when an attempt is being made to find out who are the friends of foreign aggressiveness and the

helpers towards annexation. EDITORIAL NOTES. The Nation talks of unrestricted cy being defeated. Have the people their name, to settle the issue !
