Issue... The Other Societies Will Have Encouragement to Ask For Helps The Cremp Virunt Killed.

A communication from the Oddfellows to the city council asked for a grant of \$300. to be expended in connection with a demonstration to be held this summer, caused a very lively debate last evening. The subject was introduced by Ald. Mc Intyre moving that the finance

be requested to provide \$300 for the organization. The motion was seconded by Ald. Muckleston asked if the order would guarantee a great attendance. It would

not do to grant the money for a small de-Ald. Molntyre said a very large number of strangers would be induced to come here. from different points in Canada and the United States. The event would be the

Ald. (laskin protested against bonusing societies. He respected the Oddfellows as a body and he presumed the men from a distance were in as good circumstances as the Oddfellows of the city; that being the case he thought it unfair to ask the citizens to contribute \$300 for the demonstration. This was the first time a grant has been asked by any society. He thought the council would have all it could do to pay its current expenses and he did not think it was right to throw away the people's money. They were A. Benjamin and bride arrived from the not sent to grant money for illegitimate pureast to-day. They were on their way to poses.
