This stuff of mine is strongly flavored with Seville orange peel, and it's sweetened; to the palate it much resembles curacos. It was a year and a half ago. I was sitting smoking here, about an hour after midnight; this decanter was on the table in front of me.

"I had just received an early copy of the suppressed works of certain Elizabethan poets. I read every book, sir, before I placed it on my shelves," said Verbruggen : "and at i that moment I was deeply interested in what I was about. Suddenly I heard the door of the room open.
