Chatclaines to Suit the Wearer. Elsie Bee, of The Jewelers' Circular, has discovered that the jewelers have provided chatelaines to suit the temperament of the wearer. For example: A person of religious mind has her needlecase in the form of a missal, her thimble case looks like a trump. If she is more frivolously minded her pincushion is an open fan, she has a button hook array in a case, a small niello or repousse receptacle for pins, and a "NATIONAL" MIXED PAINTS, \$1.25 a gallen.
