This morning Messrs. J. S. Henderson, Dunham, Van Tassel and Hutcheson left for a cruise on the Rideau river in the steam yacht "Whistle Wing." They will be absent a week.

W. G. Allen, representing the Ontario brewing company, Toronto, and A. Sweet, representing Erchhorn, & Carpenter, tobacconists, of the same place, are in the city. They are two fovial fellows.

An Ruglish syndicate has purchased lands in the vicinity of Lime Lake, and intend in manufacturing mari into cement, and carry.

But the current could not be turned on as the durned on as the dynamo was almost at a stand still. The current was soon turned on. Kemmier's lips dropped saliva and a heavy sound escaped his lips. A half groan forced itself past the tightly elenched lips and sounded through the still chamber with ghastly distance way. Some of them lay, down faint and asick. In 73 seconds the current was on and the body became rigid again. No mistakes were made this time. The full current of 2,000 volts was sent through the body in the chair, and it was thrown on an attended to the straps quietly. He directed the adjustment of the electrodes. He entered the death chamber about 6 30 o'dlock. He assisted in preparing himself for death. He was placed in an ordinary chair by the warden, who introduced him to those present. He made brief farewell remarks. There were no prayers said in the death-room. The man was evidently devoid of nervous tension. His voice while speaking the vicinity of Lime Lake, and intending the control of the current was son and the body became rigid again. No mistakes were made this time. The full current was on an an ordinary chair by the warden, who introduced him to chair by the chair by the cast chair by the cast chair by the cast chair by the chair
