A meeting was held on Friday evening with a fair attendance and encouraging in every way.—The village gardeners are securing their late currant crop.

ELGINBURG.

Aug. 19.—What might have been a very serious accident occurred last week. A. Knapp, accompanied by his sister and Miss Forsyth, of Kingston, drove to the post office. While there the young ladies were left a few minutes in the carriage when the horse, supposed to be gentle, became fractious and in a few minutes gave practical proof that even two-wheeled carriages can be upset. The horse made a dash for home tearing the vehicle to pieces. A. Smyth afterwards captured the animal. No one seriously injured.—C. Freeman filled Rev. Mr. Johnston's appointment at the Head of the Lake on Sunday evening. The congregation listened with pleasure and profit to his sermon on the "One thing needful." Mrs. Powley, Brantford, visiting friends here, conducted a very pleasing and profitable service in the Elginburg church on the same evening. We hope to hear her again.—Miss Ida Lawson has returned after spending a week with the family of J. W. Powell at "Rock Point Camp" on the St. Lawrence river.—Mr. and Mrs. Phillips and daughter, of Kingston, are spending some time with friends here.

CUNNINGHAM'S CORNERS.

AT OMPAH VILLAGE

An Enjoyable Time at a Garden Party—Times to go to Church.

OMPAH, Aug. 19.—Farmers are busy harvesting; the oat crop good although not nearly so much straw as last year. A most enjoyable garden party was given by Major and Mrs. Gilbert on the 13th inst. Among the guests we noticed Mrs. John and Miss Elkington, Mrs. Frank Elkington, Mrs. Hewton, Misses Walsh, Miss Dawson, Rev. Mr. Norrie, Rev. Weatherton and Mr. Powell, of Ottawa. The amiable hostess was as usual full of vigorous energy, sparing no efforts to make every one present feel quite at home.

The municipal council met at Mississippi on Saturday, 16th, when the court of revision was finally closed. The council will meet again at their hall on the 23rd, to complete important business which unforseen circumstances prevented their doing at the regular meeting. The village school reopened to-day. Our school teacher looks much improved after her holiday and great results are expected.

Messrs. Wheeler and Stevens, from the States, have been for the past few days in the village purchasing the materials of a valuable medicine called "Ginsing" for shipment to China. They have expended quite a sum of money in so short a time.

Service at Ompah hall for Presbyterians on Sunday next at 10 a.m., every alternative Sunday at 6 p.m. Anglican service, 31st inst., at 10:30 a.m., and every alternate Sunday at same hour; evening service every other Friday at 7:30. Roman Catholic service on Sunday, 31st inst, Rev. Father Killeen has been appointed by his grace the archbishop to the spiritual charge of the Catholics in the district as well as to the parishes of Sharbot Lake, Ardoch and McDonald's Corners. There will be mass at each place every 4th Sunday.

Miss Denham, the daughter of one of our oldest and most esteemed residents, is here on a visit, after an absence of two years. Mrs. Norrie, mother of the Rev. J. W. Norrie, arrived on Monday last to visit her son in his new mission. His brother Ernest is also here for a day or so, the Rev. Mr. Weatherton was also at the parsonage for a few days last week.

OFF FOR OLD ENGLAND.

Mr. Fox and Family Remove—A Fine Time at the Camp Meeting.

YARKER, Aug. 20.—Fred Fox, wife and daughter Grace have left for their old home, Ross, Eng. The esteem in which they were held was amply expressed by the large number who assembled to see them off. We regret their departure and hope for their early return. Engineers on the K. & P. are tony. When they arrive in Yarker they wear ping hats. The excursion train from Napanee to Tweed was photographed on the bridge by M. Vanluven. S. Guess is putting in a hot air furnace. Clarence Johnston pulled a heavy fall leaf table over; a corner struck him, making a bad scalp wound. Dr. Vrooman sewed up the wound.

Sunday, 17th inst., was a great day in Yarker in the Free Methodist camp. The services were well attended, especially at night. Three united in church fellowship and five on probation. Verona and Oak Flats were well represented, and a joyful and happy crowd they seemed to be. The residence of A. W. Benjamin is ready for the plasterers. McMillan, Napanee, has the contract. A. Baxter has returned from England. Mrs. S. Winter and children have left for Watertown, N.Y. Felix Benjamin and wife have returned from Stirling.

An effort is being made here to establish a branch of the Epworth League. Yarker has many divines stopping here. Rev. E. Florence, Watertown, N.Y., received notice of the death of one of his members. He returned to preach the funeral sermon. School opened Monday; Wm. Hope, teacher.

Portland Council.

Aug. 18.—Council met at 9 a.m; members all present. The following sums were ordered paid: Charles Martin, $12, work on road; Thomas Revel, $10.45; J. E. Sincker, $15; Henry Pero, $5.80; W. J. Sproule, $8 70: Storm sisters, $3, poor; D. Charlton, $1; W. Thompson, $3 60; James Curl, $1; Sanford Card, 80c; Alex. Clark, $2. The treasurer was instructed to settle, with the collector, all non-resident taxes and $50 was ordered paid to W. Thompson, collector. C. H. Martin claimed he was overcharged in taxes; no action. By-law No. 332 levying the rate was passed. Petition from Portland agricultural society asked for a grant. Moved by Alex. Grant that $5 be granted. Reeve Watson was in favor of a grant. No action. Councillor Davis, Kingston township, asked the council to aid his township in repairing a hill in his township. The council will inspect the hill with a view to fixing it. Council adjourned to meet at Hartington on 15th Sept., at one p.m.

Holloway's Pills.

With changing temperature the digestion becomes impaired, liver disordered, and mind despondent. The cause of these irregularities is easily removed by the use of Holloway's Ointment and Pills. They directly attack the source of the evil, remove all impurities from the circulation, restore the affected organs to their natural state,
