causes him to laugh, and the most emotional actress only gains a pitying glance of curious -:- ARRANGEMENT. such mimic trials and joys and his responsigrudgingly, made room for an unofficial men and women were singing one of the Rough

"It's pretty, isn't it?" said the visitor. The fireman was very large and broad ! shouldered, and his hair was clipped so closely that it stuck up over his head and gave him a strongly pugilistic appearance. '
"Yes, it's good," he said, critically, "but wot I want to know is wot those two on the Black Dress Goods. case for livin', anway. They ain't got nothin' nothin' in it, 'cept just stand 'round and wear new closs every act. They ain't in it, see! It makes me tired, that's wot it" does: it makes me tired!" for their dressing rooms, and the fireman

I looked after them and shook his head mourn-"They ain't in it," he said, "an' they make "Oh, yes, it's agreeable enough for the first night or two," he ran on in answer to the visitor's question; "but after you've seen the piece about 'steen hundred times it's no pienie. Why, I ought to be in bed now, All the others is. But I've got to stay here till 1' and then make out my report, and by the

time I get to bed an alarm comes in and I'm "What do you say in your report!" asked the unofficial visitor. "Ob, just that I was here and that nothin' happened and that I left everything all right I when I come away." "Don't you say anything about the six; of the house or the bu iness being good, or the

number of encores!" "Naw, cert'nly not," said the fireman with deep disgust and with a suspicious look at the visitor, but the visitor made no sign and asked what the firemen would do if a fire should happen to break out.

"Well, to tell youse the truth," whispered the fireman, "Idon't know. It 'ud depend on I where the fire broke out. I'd try to put it out I moself first, and then if I found I couldn't that I'd ring the alarm for the engine. Oncet Garden when the circus was there, and tiger got loose. Well, my instructions didn't say nothin' about tigers, and I didn't know wet to do, but I took down a fire axe off en the wall just for luck, and, be gosh, if that beast had come around where I was I'd a split his

partment fur nothin', sonny, and I'd hev given that darned tiger all the fight be wanted. I'd ha' made him sick. When they was playin' 'The Still Alarm,' that's a fire engine piece, you know, all the boys wanted to go down to see it, and one fresh kid he got se standin' now and grabbed the horses by the bead and snapped the harness on 'em, and | then jumped up behind the engine and was

"Then there was another story they tell about a lad in one of the downtown houses. one of her ladifriends, not knowin' that her husband was stationed at the theatre, and I she sees him from her seat in the family circle chattin' around with the chorus girls and holdin's cloak fur one of them dancers when she was on the stage. And when she comes off he puts the cloak about her and

she stands there chattin'. "There wus nothin' out'en the way much ! 'cept he wusn't attendin' to his duties, but ! his wife thought it was dead wrong, and she waited fur him at the stage door, and raised smoke and fire so that he run away to the station house. She made him beg the Captain never to assign him to no more theatres and the boys plagued him so that he got

transferred to a house up town. "Then there was another fresh lad that ! i instead of attendin' to his duty went on the stage as a super, dressed up in a long cloak and a beard as a brigand. He just did it for in the box that night with a party of visitin' be broke for sure. He was so careful after that that he wouldn't speak to none of the people back of the scenes, and they called 1 bim the Deaf and Dumb Fireman, And 1 RAILWAY, cial theatre-goer could finish his story the two offending performers who "weren't in SPECIAL BARGAINS IN PRINTS AND SATEENS, I tired." And he fixed his eyes upon them despondently and sank into gloomy silence.
