CRISP CONDENSATIONS.

PARAGRAPHS OF INTEREST TO ALL OUR READERS. Collecting information on many subjects - Postal Savings Banks in Japan - Great Savings - The Farm and Character - Letters of a King.

Let's do something, a Rio Janeiro jeweler, has bought from Don Pedro for \$50,000 the jewels of the deceased emperor.

A Spanish at Cordoba, N. M., is under guard day and night. It now contains eight feet four inches around and is still growing.

Physical education has been suspended in the New York public schools this year from lack of proper appropriation necessary for the purpose.

The White Collar memorial stone appears these words under his name: "Author of 'The Woman in White' and Other Works of Fiction."

Charles D. Young, a Denver boy of fifteen has just built the smallest coal-burning locomotive in existence. It is about five feet long and weighs 100 lbs.

A column of army worms invaded Woodbridge, Cal., recently. It was half a mile long and was followed by immense swarms of blackbirds, which preyed upon it.

They say people know that Georgia produces oysters. A planter in St. Simon's Island has a grove of 100 trees, nearly all bearing from which he has made about ten hundred gallons of oil besides the fruit pips.

Steel trinkets set off with artificial pearls are likely to be the rage in London next winter. An article of this kind recently made a hit there.

The salt water at Saltair, Utah, cover 900 acres. The water is fifteen feet above the surface of the lake, and is filled by means of a huge pump driven at the rate of 15,000 gallons a minute.

The postal savings banks of Japan, which for several years received but little attention from the people, have recently been established in 1875, but at the end of the year had only \$15,000 on deposit. In 1890, however, it amounted to \$1,000,000 and in 1898 to \$100,000,000.

A town in England, Skiddaw, Cumberland, stands unique as a township of one house and one solitary male adult inhabitant. This man is deprived of his voice and is unable to speak.

According to a correspondent of the Times, the fact that there are no oysters to make out a voter's list, and no church or public building to which to publish one, if made.

A Russian captain has been sent on a mission to the coast of the Bering Sea to collect specimens of seals, walrus, and other animals.

It is thought that this photographic collection is intended for the Emperor.
