The Hangman Arrives. he C.P.R. train leaving Toronto at 8 a.m. today at Parkdale. He had the strangling cord along with him, done up neatly in a black package. The excellent photo of Ratley published in this morning's World, which, by the way, was in the hands of two-thirds of the passengers, male and female, on the train, had served to give people an idea of the appearance of the man, but as he was not expected on that train he was "spotted" by no person on board except the conductor. He wore an Irish frieze overcoat and an ordipary suit of tweed. On the arrival of the train at Woodstock Ratley stepped strolled leisurely to the cab stand, where handed his valise to the Jehn. the seat with him and was driven the jail, calmly smoking betimes. By some ing up on that train and there was a curious crowd of gaping citizens to see him, such remarks as: "Wait until we see the hangman; he is coming on this train," and "There be three or four persons recognized him, however. Ratley read the interview with him outlished in The World on the road up and complimented me upon its correctness, but was a little put out over the fact of his name and occupation being published, but appar-
