DRIVEN UP ON THE BEACH THE NEWCOMB ASHORE ON NINE MILE POINT.

TWO CENTS.

Charlotte, When Her Tow Line Parted and She Was Driven Ashore-Another Loss to Hall of Ogdensburg. Oswego Palladium owned by George Hall & Co., Ogdenabu

The Newcomb is up high and d on a gravelly beach and does not appear The Newcomb left Cape Vincent, Satur day morning, in tow of the rug Proctor. day there were frequent squalls of snow, The Newcomb pitched frightfully. She was seven o'clock, when abreast of the great tow line, and as they had no other to pass to the tug, the latter was obliged to leave them, and the barge was quickly lost in a snow squall. The tug signalled by the blowing of her whistle that she was about to leave, and those on the barge began making sail. She was driven well in towards shore while sail was being made and Captain Brown was unable to get her back into the lake. She did not steer well, he told " gentleman yesterday, and the blinding snow shut out the lights at Sodus and Fair Haven. He tried to pick up the Oswego light, but could not do so and was unable, he said, to get one of his men to go aloft. o'clock he dropped one of the anchors. did not hold and the barge was dragging to wards the shore. At the first touch of the vessel on the bottom, the cable was slipped and the next big sea carried the barge high

and dry broad side on to the beach, where she now lies in an easy position. Captain Brown arrived in the city yester day and reported that his vessel was ashore. Capt, Dobbie and W. D. Allen drove up to the wreck yesterday They report that she is resting easy on the beach and can be gotten off without much damage. The crew

are living on the barge. The Newcomb was built at East Saginaw ? by Arnold, in 1876, and is registered 850 of Ottawa, and the Royal military college, The finder of a right hand brown kid and is valued at \$25,000.
